Kean University | Office of Human Resources
ACCESSIBLE PARKING

Information for Kean Employees

Employees with temporary medical conditions that necessitate accessible parking may request temporary parking placards with a police department within their local municipality.

Employees who need parking accommodations that are permanent are encouraged to apply for Accessible Parking privileges through the **New Jersey Motor Vehicle Commission**.

Individuals will need to supply sufficient documentation of a disability as part of the application process. The required forms can be obtained through New Jersey Motor Vehicle Commission website here.

If you already have a parking plate/placard for persons with a disability, you will be required to upload a copy of it when registering your ePermit via Kean's website.
