KEAN UNIVERSITY, COLLEGE OF EDUCATION
ADMISSION REQUIREMENTS

PASSING SCORES ON PRAXIS I (READING, WRITING, and MATH) ARE REQUIRED FOR ADMISSION TO THE COLLEGE OF EDUCATION!!!

Go to [www.ets.org/praxis](http://www.ets.org/praxis) to register
Use PLATO Learning to prepare: email plato@kean.edu with your name and Kean ID for self-enrolling directions.

I. Requirements for Admission to Undergraduate Teacher Education Programs
Application procedures initiated in the required sophomore field experience course. Application filed during sophomore year for four year KU students; approval granted at the beginning of the junior year. Application filed during first semester of junior year for transfer students.

1. Completion of all developmental coursework if applicable
2. Demonstration of proficiency in oral and written communication through completion of appropriate general education coursework with "B-" or better (ENG 1030, COMM 1402 or the transfer equivalents. Physical Education and Early Childhood students may earn a C or better)
3. Demonstration of proficiency in college mathematics (MATH 1000 or transfer equivalent) through completion of coursework with "B-" or better (Secondary and Physical Education and Early Childhood students may earn a C or better)
4. Demonstration of proficiency in Biology (BIO 1000 or transfer equivalent) with C or better (Secondary Education students may earn a C or better in lab science of their choosing)
5. Successful completion of the introductory (sophomore) education course (or transfer equivalent) with a grade of B- or better.
6. A minimum of 30 semester hours in General Education
7. A minimum overall GPA of 3.0 (New transfer students without a 3.0 GPA, must take 24 Kean credits and earn a GPA of 3.0 before being accepted into an Education program.)
8. Satisfactory performance and evidence of interest in teaching as demonstrated in the introductory (sophomore) field experience
9. Departmental application, interview, and narrative statement (applies to transfer students with transfer credits earned for the introductory education course)
10. Successful completion of Speech & Hearing test
11. Attainment of satisfactory scores on the Praxis I exam

These are minimum requirements. Students must consult with individual programs for specific grade requirements and other conditions for admission.

EXPECTATIONS: Students admitted to the College of Education will be expected to perform at a high academic level (3.0 GPA).
