

# College of Education

*Interim Dean, Dr. Frank J. Esposito*

*Assistant to the Dean, Mr. Ronald Dowdell*

For certification in subject areas K-12, see the appropriate liberal arts or science major. The College of Education at Kean University has achieved national recognition as the largest producer of teachers in the state of New Jersey. Since 1955, it has continued to earn accreditation by the National Council for the Accreditation of Teacher Education. Notably, only one-third of the schools that produce teachers in the United States earn this certification. Today, Kean graduates are making a real difference in the lives of young people both in the United States and abroad. The College of Education boasts an outstanding faculty, who are truly dedicated to the success of teacher candidates.
