In the space provided below, please explain why you did not register for Selective Service between the ages of 18 and 26 and submit this form to the Office of Financial Aid with copies of the necessary documentation in support of your claim. ***If you are unable to provide documentation, you must contact the Selective Service System at 1-888-655-1825 or online at [www.sss.gov](http://www.sss.gov) to request a Status Information Letter.*** Your financial aid award(s) cannot be processed until this information is received and reviewed by the Office of Financial Aid.
