SPECIAL POLICIES

Sports Participation• Due to the complexity of the major, students participating in sports might need a minimum of five years to complete program requirements. This will be discussed with each individual upon committing to the Program.

Transfer Policy• All transfer students must meet with the Program Director to determine their placement status. Transfer students wishing to transfer courses intended to fulfill specific Athletic Training course requirements must have those courses evaluated by the Program Director. Course outlines, syllabi, and class notes will be reviewed. Any such course must assess all the same competencies in the course offered by Kean University.

In addition, all transfers will be required to take the entrance exam given by the Program administration to all candidates. This test consists of both an oral practical and a written component. A grade of B- must be obtained in order to be accepted into the professional phase of the Program. If the exam is not passed there will not be an opportunity to retake the exam until the following year. In this case, any student anticipating challenging the exam must audit the PED 2511 and PED 2512 the following academic year.

Any transfer student challenging acceptance at the junior level must provide a document from the former Program Director addressing the reason for the transfer. This is essential to verify quality of character, aptitude, and predicted success in an accredited athletic training program.

Clinical experiences will also be reviewed by the Program Director. All clinical experiences submitted for review must be documented and must have been under the direct supervision of an BOC Certified Athletic Trainer. These must be comparable to those required for the respective levels at Kean University.

As stated in the undergraduate catalog, a minimum of 32 degree credits of the major requirements, must be earned at Kean including, one-half of the General Education

*All policies and requirements are subject to change without notice as indicated in the Kean University Undergraduate Catalog.
