Academic Content Area/2nd Academic Major
Students majoring in Elementary Education are required to take an academic content area/2nd academic major in liberal arts, mathematics or science. Some overlap with General Education may occur, in which case the courses that overlap must also be a C grade or higher. Some majors require a greater number of credits and additional cognates. Check specific departmental course grade requirements.

Note: Students may choose to use general education courses to satisfy major requirements. For example, history majors may wish to use the US History courses to satisfy major requirements and, if so, they must choose additional liberal arts courses to satisfy the credit requirement for General Education. Students should consult with their academic advisor to determine appropriate course substitutions. This situation may occur with other second majors and the students should consult with their academic advisor regarding appropriate course substitutions.

Professional Education Courses
Students entering Kean University as freshmen or transfers must earn a B- or higher in Professional Education courses and a Satisfactory grade in EMSE 3800 and EMSE 4810. EDUC 3000 and EDUC 3400 or EDUC 3403 must be completed prior to taking EMSE 3800. EMSE 4440 and EMSE 4441 must be completed prior to EMSE 4810 and 4900.

EMSE 4900 Senior Seminar and EMSE 4810 Professional Internship must be taken together and no other course registration is permitted. ALL TEACHER CANDIDATES ARE REQUIRED TO COMPLETE The Teacher Work Sample Portfolio BEFORE GRADUATION.

ADDITIONAL INFORMATION

Oral and Written Emphasis Competency in Languages of Instruction
Students entering the Bilingual Option must also demonstrate oral and written competency in both languages of instruction, for example, Spanish and English, as measured by the ACTFL Proficiency Assessment. Registration and administration of this test is done in the Elementary Ed. & Bilingual Department located in Willis 105B. The passing scores for Bilingual Education candidates are:

<table>
<thead>
<tr>
<th>Language</th>
<th>Score</th>
</tr>
</thead>
<tbody>
<tr>
<td>English</td>
<td>Oral - Advanced High, Written - Advanced Mid</td>
</tr>
<tr>
<td>Other language</td>
<td>Oral - Advanced High, Written - Advanced Mid</td>
</tr>
</tbody>
</table>

This test must be completed before being declared a bilingual option major.

Writing Emphasis Requirement: All students are required to complete one "Writing Emphasis" (WE) course. The WE course should be within the major program. EMSE 4440 satisfies this requirement for your Professional major. However you should consult your content major program advisor (i.e. History, Earth Science, etc.) for any requirements in the respective program.

PRAXIS I: All students entering the Elementary Education Program are required to take the PRAXIS I. This is a test in preparation for the Praxis II. Students must earn passing scores on all three parts of PRAXIS I (math, writing, and reading) to become eligible to apply to the Elementary Education program.

Praxis II (formerly the National Teachers Exam): The State of New Jersey requires a passing score on the Elementary Education: Content Area (10014) of the Praxis II exam prior to senior field experience.
