Dear Students,

I hope your fall semester is going well and that you are enjoying your studies.

At this early date, we are preparing for Spring 10 advisement and registration, which begins on October 26. You will find all course information for the term online prior to the aforementioned date, which is helpful because everything you view will be current.

Your advisor is our new English Department Faculty member for Kean-Ocean, Dr. Don Moores. Many of you are probably enrolled in classes with him now and can easily reach him for the assistance you need. If not, information about his availability is posted on the Kean-Ocean link at [www.kean.edu](http://www.kean.edu) in the advisement section. Please note this point about registration: Kean-Ocean students do not need to apply for the Senior Seminar if they plan to take it on the OCC campus.

At any time during the process, do not hesitate to contact me with your questions or concerns about completing the degree. You can reach me by phone at 908 737 0377 or via email [lbest@kean.edu](mailto:lbest@kean.edu).
