

Kean University

Department of English
Early Registration for Fall 2008

Priority Students

The **Fall 2008 Course Bulletin** will be available in print the week of **March 24**. You can also find course listings through KeanWISE on the web: <http://webreg.kean.edu>.

Early registration for all Priority Students begins on **Wednesday, April 9**, but there are *separate advisement dates for junior, sophomore, and freshman English majors with priority status*. Priority students should read the advisement instructions for their respective class levels as well as this letter. We encourage you to seek advisement from your assigned advisors as you prepare for Fall 2008.

Following University policy, the Department of English has assigned faculty advisors to its majors.

- You can learn about walk-in advisement during the advisement period by referring to the schedule sent with this letter.
- You can find the name of your **primary Department advisor** on KeanWise. Feel free to contact your advisor, especially for an appointment outside his/her posted office hours. *Advisors are a valuable resource and can answer questions about scheduling conflicts, course selections, or any other concerns you may have.*
- Faculty contact information and office hours are available in the faculty section on the Department's website: www.kean.edu/~english.
- Please remember to bring a transcript to advisement so that your advisor can review the courses you've already completed.

Contact Dr. Robinson, the Department's coordinator of advisement, if you have a serious reason that prevents you from coming at the times listed for your respective class level.
