A & P I (Bio 3403) Student Survey (Fall 2007)

Name: ____________________ e-mail: _______________ Year: _______________
(Please PRINT clearly!) (Please PRINT clearly!) (sophomore, junior etc.)

Phone (optional): _________________________ Section: ______________ (01,02,03,04)

Check the proper space to indicate your declared major or intended major:

Pre-PT_____ Med. Tech. _____ Pre-OT _____ Biology _____ Other (name) _____

When did you take the following courses? (If you are a transfer student, list the time and place when/where you took the equivalent courses.)

Bio 2400 Genes, Organisms, Populations (2400) _________________________________
(equivalent of 2nd semester of General Biology) (When? Where?)

Organic Chemistry (Chem 2180 0r 3181): _________________________________
____________________________________
(When? Where?)

Do you have any special suggestions or requests for the course?

Do you have any special conditions that require special accommodations? (Feel free to speak to me in person – all information will be kept confidential.)

**Important!** Please name your designated partner who will pick up handouts and return exams/quizzes etc. in your absence. You can change your designated partner later on.

Designated partner: ________________________

*Important!** Please sign your name here: ____________________________ (Signature)

Your signature indicates that
1. You have received the course syllabus;
2. You understand the strict policies on make-up exams, on academic honesty, on picking up returned exams/quizzes and on scheduled exams under inclement weather conditions;
3. You promise not to accept or give help in any form during any exam or quiz. You understand that the punishment will be equally severe for both types of violations;
4. You promise to try your best to handle the equipment, models, slides and other teaching materials carefully and responsibly. Stealing or unauthorized removal of teaching materials will result in failure of the course.
