MOVE-IN REQUIREMENTS

KEAN OFFICE OF RESIDENCE LIFE

Students must fulfill **ALL** the following requirements in order to check-in and receive their key.

STEP 1 Student Health Clearance

Upload all immunization requirements and health insurance information to the Student Health Portal: kean.studenthealthportal.com

STEP 2 Register for Full-Time Student Status

To live on campus, undergraduate students must be enrolled with a minimum of 12 credits, and graduate students must be enrolled with a minimum of nine credits. Review your status in KeanWISE.

STEP 3 Review Financial Obligations

To move into the residence halls, students must be up to date with their student account bills and/or payments according to their payment plan. Review your Student Account in KeanWISE.

STEP 4 Download the Remind App

While living on campus, connect with your Resident Assistant (RA) and the residents on your floor with this app! Don't miss out on important announcements, hall information, and events in the app. The Remind: School Communication is available for FREE download on the Google Play and Apple App stores.

GET THE APP

Failure to comply with the above actions will prevent your check-in clearance.
