KEAN SKYLANDS

# SKYLAB
# ENVIRONMENTAL SCIENCE PRE-COLLEGE PROGRAM

Kean Skylands, Oak Ridge, NJ
July 6-16, 2026 | Mon-Thurs, 9 AM - 3 PM

Join us for an immersive, hands-on environmental science program set on Kean's beautiful 45-acre wooded campus. High school students (Grades 9-12) will explore topics like climate change, biodiversity, drone technology, and renewable energy. Guided by Kean's expert faculty, participants will engage in scientific research, nature walks, water and soil analysis, and cutting-edge environmental technology.

Students can choose to enroll for personal enrichment or earn 2 college credits while gaining real-world research experience. The program includes hands-on activities like birdwatching, aquatic ecosystem studies, and drone-based environmental assessments.

Program Highlights:

- Hands-on scientific research & fieldwork
- Birdwatching, plant & animal identification
- Water quality & soil analysis
- Drone technology & environmental mapping
- Renewable energy & climate solutions

Pricing & Enrollment:

- Non-credit rate: $899 ($800 before March 31, 2026)
- For-credit (2 college credits): $1,450
