GENERAL INFORMATION

Free Electives: At least 50% of Free Electives must be at 3000-4000 level. English majors may not use ENG major courses as Free Electives. Free Electives can be used to complete a minor (generally 18-24 credits) in another discipline. For more information about the many minors offered at Kean, consult the Undergraduate Catalog online or visit individual departments/departamental websites

Summer Courses: Kean offers two summer sessions each year. Students may take two courses (or seven credits, whichever is greater) in each summer session. Summer courses are recommended as a way to stay on track for four year graduation if fewer credits than recommended are completed during regular semesters.

For more information about your major requirements, consult your major advisor and the following resources: major guidesheet, Program Evaluation in KeanWISE (aka Degree Audit), Undergraduate Catalog (online), and program/department websites.
