¹² Clinical I and II must be done back-to-back and in consecutive semesters.

13 Should be done in conjunction with Clinical I, but may be done separately.

"Clinical II Prerequisite: Passing score on the Praxis II: A passing score on the appropriate Praxis II score must be submitted to the Teaching Performance Center by the TPC's required deadline. No student may enter Clinical II unless the passing score is submitted as required.

Months edTPA - This Performance Assessment is required and is completed during Clinical II. Beginning in September 2019, all students must earn the state's qualifying score.

As an NJDOE requirement, Clinical II must be done in the final semester prior to graduation and taken in conjunction with EDUC 4000, the capstone education class. Any additional course work left to that final Clinical II semester is discouraged and may only be done with the written permission of the dean of education. All students are highly encouraged to complete all course requirements beyond EMSE 4811 (Clinical II) and EDUC 4000 prior to this final Clinical II semester, as even a few remaining credits will delay NJDOE's issue date of the Certificate of Eligibility with Advanced Standing.

¹⁶No English courses can be used as Free Electives except for ENG 1996 Research and ENG 3291/3292/3293 Internship.

¹⁷Freshmen may partner with faculty to earn one credit as a free elective, which may be taken up to two times.

"Majors may enroll in internships, if available, for 1, 2, or 3 credits (ENG 3291, 3292, and 3293, respectively) for a maximum of three credits of free electives. Prerequisites are ENG 3001 or ENG 3029; 75 credits.
