GE Foundation (should be taken as early as possible)

GE Requirement (can be taken any semester, including summer)

Major requirement (can be taken any semester, including summer)

* INTD 3001 is a course designed to help you find an internship, should you have trouble finding one on your own. However, because it is only 1 credit, you will still need to find an internship to make up for the remaining 2 credits required. CAN ONLY BE TAKEN IN THE FALL SEMESTER.

** You must complete 3 credits to fulfill the Internship component of the degree. INTD 3002 must be taken if INTD 3001 has been taken first, in order to account for 3 credits. INTD 3003 is the full 3-credit internship practicum course. CAN BE TAKEN ANY SEMESTER, ANY YEAR.
