¹⁰ Clinical II Prerequisite: Passing score on the Praxis II: A passing score on the appropriate Praxis II score must be submitted to the Teaching Performance Center by the TPC's required deadline. No student may enter Clinical II unless the passing score is submitted as required.

¹¹ As an NJDOE requirement, Clinical II must be done in the final semester prior to graduation and taken in conjunction with EDUC 4000, the capstone education class. Any additional course work left to that final Clinical II semester is discouraged and may only be done with the written permission of the dean of education. All students are highly encourage to complete all course requirements beyond EMSE 4811 (Clinical II) and EDUC 4000 prior to this final Clinical II semester, as the even a few remaining credits will delay NJDOE's issue date of the Certificate of Eligibility with Advanced Standing.
