PROGRAM REVISION DATE 8/27/19
Special Notes on Professional Education:

6Secondary Education major
Acceptance into the University is NOT acceptance into the Secondary Education Department. This is a separate process. No education courses beyond EMSE 2801 may be taken until the student is declared into the program. The criteria for SE program admission/declaration includes:

A. Minimum Kean GPA of 3.0.
B. Completion of the following courses/minimum grades:
   • ENG 1030 College Composition (minimum grade of B-)
   • COMM 1402 Speech Comm As Critical Citizenship (minimum grade of B-)
   • EMSE 2801 Intro to Field Experience in Subject Area P-12 (minimum grade B-)
   • Laboratory Science course (minimum grade of C)
   • Math requirement (minimum grade of C)
C. Passing score on the Praxis Core Academic Skills Test
D. Two letters of recommendation
E. Filing of a formal application for admission and arranging an interview

6 Should be completed prior to Clinical I
7 Requires submission of application to the Teaching Performance Center (TPC)
8 Clinical I and II must be done back-back-to-back and in consecutive semesters
9 Should be done in conjunction with Clinical I
10 Clinical II Prerequisite: Passing score on the Praxis II: A passing score on the appropriate Praxis II score must be submitted to the Teaching Performance Center by the TPC’s required deadline. No student may enter Clinical II unless the passing score is submitted as required.

11 As an NJDOE requirement, Clinical II must be done in the final semester prior to graduation and taken in conjunction with EDUC 4000, the capstone education class. Any additional course work left to that final Clinical II semester is discouraged and may only be done with the written permission of the dean of education. All students are highly encourage to complete all course requirements beyond EMSE 4811 (Clinical II) and EDUC 4000 prior to this final Clinical II semester, as the even a few remaining credits will delay NJDOE’s issue date of the Certificate of Eligibility with Advanced Standing.

12 Students must successfully complete the edTPA in order to be eligible for certification.
