(78308) B.S. in Computer Science (Data Science Option): 4-year Study Plan

This first-year study plan is for new students only. All new students should see their CS/IT faculty advisor in October to review and update their 4-year study plans before the early registration period (in November). Students should pay attention to each course's prerequisites and the available courses in each semester. Please check the academic guide sheets at http://yoda.kean.edu/studyplans/
