AGREEMENT

This Agreement is made as of the 28th day of January, 2020 by and between the State of New Jersey (herein called the STATE) and the Council of New Jersey State College Locals, AFT, AFL-CIO (herein called the UNION).

Whereas the parties hereto have entered into collective negotiations and desire to reduce the results thereof to writing NOW THEREFORE, it is mutually agreed as follows:

PREAMBLE

The STATE, the State Colleges and Universities, and the UNION enter into this Agreement with the expectation that its implementation will enhance the ability of the State Colleges and Universities of New Jersey to serve their constituents.

The parties recognize that it is the responsibility of these institutions to provide their students a quality educational program, to broaden the horizons of knowledge through research and to make available their resources to the needs of the larger community.

In order to fulfill these obligations, the parties endorse the concepts and subscribe to the traditional principles of academic freedom, professional ethics and responsibilities.

ARTICLE I

ARTICLE II

NON-DISCRIMINATION

The STATE and the UNION agree that the provisions of this Agreement shall apply equally to all employees. The STATE and the UNION agree that there shall be no intimidation, interference, or discrimination because of age, sex, sexual orientation, marital status, familial status, race, color, creed, national origin, disability, physical handicap, or political activity, private conduct or union activity which is permissible under law and which does not interfere with an employee's employment obligation or because of their liability for service in the Armed Forces of the United States.

ARTICLE III

NO STRIKE OR LOCKOUT

The UNION agrees that it will refrain from any strike, work stoppage, slowdown, or other job action and will not support or condone any such job action. The STATE agrees that it will refrain from locking out its employees or from any threat thereof.

**ARTICLE IV
CONTINUING CONSULTATION**

- A.** The parties agree to establish a Committee consisting of one representative for each College/University, three Council representatives and one representative from the Governor's Office of Employee Relations, which shall upon request of either party meet in the third week of April, October and January. The goal of the Committee is to ensure that the provisions of the Collective Negotiations Agreement are complied with throughout the nine State Colleges/Universities. The Council shall submit an agenda to the Governor's Office of Employee Relations at least two weeks prior to the meeting consistent with the goal of the Committee as set forth above. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations.
- B.** The Local UNION on each campus and the President as chief executive officer of the College/University and as representative of the Board of Trustees, or his or her designee(s), shall upon the request of either party establish meetings during the first week of April, October, and January, for the purpose of reviewing the administration of this Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations.
- C.** The requests of either party for such meetings shall include an agenda of topics to be discussed and shall be submitted at least two weeks prior to the meeting date. Sufficient meeting time(s) shall be established to complete the agenda.
- D.** Additional meetings, as described above, shall be held at the request of either party at a mutually agreeable time.

**ARTICLE V
ACADEMIC FREEDOM**

- A.** Academic freedom derives from the nature of the quest for knowledge. It is essential to the full search for truth and its free exposition, applies to both teaching and research, and shall not be abridged or abused. Academic freedom does not relieve the employee of those duties and obligations, which are inherent in the employer-employee relationship.
- B.** Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it responsibilities correlative with rights. Both parties to this Agreement subscribe to the following principles of academic freedom:
1. Employees are entitled to full freedom in research and in the publication of results.
 2. An employee is entitled to freedom in the classroom in discussing his or her subject.
 3. Employees are citizens and members of a learned profession. When the employee speaks or writes as a citizen, he or she is free from institutional censorship or discipline, but should not represent himself or herself as a spokesperson for the institution.

**ARTICLE VI
DUES DEDUCTION**

- A.** The STATE agrees to deduct from the salaries of all employees dues for the appropriate Local UNION named below, as individual employees may voluntarily authorize as provided in Chapter 310, New Jersey Public Laws of 1967, the STATE to make such deductions and where such authorization is properly presented to the STATE.

The College of New Jersey	Local 2364
Kean University	Local 2187
Montclair State University	Local 1904
New Jersey City University	Local 1839
Ramapo College of New Jersey	Local 2274
Rowan University	Local 2373
Stockton University	Local 2275
Thomas Edison State University	Local 4277
William Paterson University	Local 1796

The deduction will be made in equal amounts bi-weekly pursuant to Chapter 310, New Jersey Public Laws of 1967, N.J.S.A. 52:14-15.9e, as amended, beginning the first payroll period after receipt of the authorization card.

Said monies will be transmitted by the fifteenth of the month following the month in which deductions were made to the designated Local UNION treasurer.

Each of the above Local UNIONS shall certify to the STATE in writing the current rate of its membership dues.

2. Dues deduction for any employee in the negotiating unit shall be limited to the UNION. Employees shall be eligible to withdraw dues deduction authorization for the UNION only as of January 1 and July 1 of each year provided the notice of withdrawal is filed timely with the responsible payroll clerk.

3. Any changes in the UNION fee structure during the contract year shall be certified to the STATE thirty (30) days in advance of the requested date of such change. The change will be reflected in payroll deductions at the earliest time after the receipt of the request.

4. In the event that a College/University receives a dues deduction card directly from an employee, rather than the Local UNION, the College/University shall provide the Local UNION with a copy of the card at the time the next dues deductions are sent to the Local UNION.

B. Political Check-Off

Pursuant to legislation, the STATE shall upon presentation of a proper and duly signed authorization form, deduct from the salary of each employee in the negotiations unit a sum specified by the employee and not to exceed the limits prescribed by law, for the purpose of contributing to the UNION Committee on Political Education (COPE). This provision applies to present and future members and non-member employees in the negotiations unit.

The fee deductions referred to above shall be forwarded to the Council of NJ State College Locals promptly and in accordance with the provisions of applicable law. In the event that a College/University receives a COPE deduction card directly from an employee, rather than the Local UNION or the Council of NJ State College Locals, the College/University shall provide the Council of NJ State College Locals with a copy of the card at the time the next COPE deductions are sent to the Council of NJ State College Locals.

C. If after the College/University receives a proper notice from an employee revoking dues authorization, the College/University deducts union dues from the employee and transmits dues to the UNION, the UNION shall be solely responsible for returning to the employee any dues the UNION improperly received.

**ARTICLE VII
GRIEVANCE PROCEDURE**

A. Purpose

The parties agree that it is in the best interests of the academic community that all grievances should be resolved promptly, fairly and equitably. To this end relevant and necessary information, material and documents concerning any grievance shall be provided by the UNION and the STATE upon written request to the other within a reasonable time, which, where practicable, will not exceed fifteen (15) working days. This entitlement does not include the use of written questions directed to individuals where the relevant and necessary information sought can be asked of witnesses or the management representative at a grievance hearing.

1. The following procedure, which may be initiated by an employee and/or the UNION acting as his or her representative, shall be the sole and exclusive means of seeking adjustment and settling grievances (except as provided in Article XII).

2. A copy of any grievance filed by an employee independently of the UNION under the State Colleges/Universities Agreement shall, upon receipt, be transmitted to the UNION by the College/University.

3. The UNION shall have the right to be present at a Step 1 grievance hearing where an employee wishes to process a grievance on his or her own behalf.

4. Whenever any representative of the UNION or any employee is mutually scheduled by the parties during working hours to participate in grievance procedures, such employees shall suffer no loss in pay or benefits.

B. Definition of a Grievance

A grievance is an allegation by an employee or the UNION that there has been:

1. A breach, misinterpretation or improper application of terms of this Agreement; or
2. An arbitrary or discriminatory application of, or failure to act pursuant to, the applicable policies or rules of a Board of Trustees, or applicable regulations or statutes which establish terms and conditions of employment.

C. Preliminary Informal Procedure

Nothing set forth in the formal grievance procedure below shall prohibit an employee, either individually or through a union representative, from seeking to resolve a potential grievance informally, with the person designated by the College/University for that purpose.

Should an informal discussion not produce a satisfactory settlement, the grievant may move the grievance to the first formal step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is agreed to in writing by the College/University official responsible for the administration of the first formal step of the grievance procedure.

D. Formal Steps

1. Step One

A grievant or the UNION shall initiate his or her grievance in writing and present it formally to the College/University President. Such statement of grievance should include specific reference to the following: a) article and section of this Agreement alleged to have been breached, misinterpreted, or improperly applied; b) the applicable policy or rule of a Board of Trustees, or the applicable statute which establishes terms and conditions of employment alleged to have been arbitrarily or discriminatorily applied or not followed; c) a description of how the alleged violation occurred; d) the date of the alleged violation; e) the proposed remedy. Where the nature of the grievance suggests that it would be appropriate, the grievant may be requested by the President or his or her designee to meet any involved official

of the College/University in an effort to resolve the grievance informally. Such informal discussions shall not become a part of the record of the grievance unless the grievance is resolved on the basis of such discussions. The President or designee thereof shall hear the grievance and, where appropriate, witnesses may be heard and pertinent records received. The hearing shall be held within twenty (20) calendar days of receipt of the grievance, unless parties mutually agree otherwise, and the decision shall be rendered in writing to the employee and the UNION representative within fifteen (15) calendar days of the conclusion of the hearing of the grievance.

2. Step Two

If the grievant or UNION is not satisfied with the disposition of the grievance at Step One, or if the hearing is not held within the prescribed time or agreed upon time or should no decision be forthcoming in the prescribed time, the UNION as representative of the employee may, within twenty (20) calendar days from the determination at said step and upon written notification of intent to arbitrate to the Director of the Office of Employee Relations, appeal the grievance to arbitration. The arbitrator shall conduct a hearing and investigation to determine the facts and render a decision for the resolution of the grievance. An arbitrator's decision shall be binding as to grievances raised under B. 1. above and advisory and non-binding as to grievances raised under B. 2. above. In any case, an arbitrator's decision relating to appointment, nonreappointment (except as provided in E. 3. below), merit awards, or non-promotion shall be advisory and non-binding. In no event shall an arbitrator's decision have the effect of adding to, subtracting from, modifying or amending the provisions of this Agreement, the laws of the STATE, or any policy of the STATE or any Board of Trustees. The arbitrator shall not substitute his or her judgment for academic judgments rendered by the persons charged with making such judgments.

If one of the issues before the arbitrator is timeliness, the arbitrator must first render a decision on this issue. This decision shall be rendered on the day of the hearing when possible. A subsequent day of hearing will occur only if the arbitrator determines the matter to have been timely filed.

Any costs resulting from this procedure shall be shared equally by the parties.

The arbitrator making a binding determination of a grievance has the authority to prescribe a compensatory award to implement the decision.

The parties shall mutually agree upon a panel of three or more arbitrators. Each member of the panel shall serve by random selection as the sole arbitrator for a given case or cases. When a member of the panel is unable to serve, another member shall then serve by random selection. Each member of the panel serves by mutual agreement of the STATE and the UNION and may be removed at any time by either party through written notice to the other. In the event it is necessary for the parties to select a new panel member, and the parties are unable to agree on such new panel member, an *ad hoc* replacement arbitrator shall be selected on a case-by-case basis under the selection procedure of PERC. Such selection procedure shall also be utilized in the event of a failure of the parties to agree upon a new panel.

E. 1. Matters pertaining to appointment, non-promotion or non-reappointment shall be grievable under this agreement only upon the basis of claimed violations involving discriminatory treatment in violation of Article II, or denial of academic freedom in violation of Article V, or violation of appointment, promotion or reappointment procedures specified in Articles XIV and XIII, or applicable written College/University procedures (except as provided in E. 3. below). In all such cases the burden of proof shall be upon the grievant. In no case may an arbitrator recommend appointment, promotion or reappointment of a grievant. Rather, where appropriate, the remedy shall be to remand the matter to the proper level of the involved College/University for reconsideration of the matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process.

2. Where a matter is remanded pursuant to Subparagraph 1 above, the arbitrator may, where appropriate, direct that

the President of the College/University, in consultation with the UNION, appoint an *ad hoc* review committee to substitute for any individual or committee which had been involved in the previous promotion or reappointment action. The purpose of such *ad hoc* committee will be for the purpose of reconsidering the involved matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process and to make recommendations on the merits of the involved appointment, non-promotion or non-reappointment matter to the President or intermediate levels prior to the President.

3. Full-time employees serving under multi-year contracts may grieve notice of non-renewal on the basis of lack of good cause. If the arbitrator finds that the non-renewal lacked good cause, the arbitrator may direct the withdrawal of the notice of non-renewal. In such event, the arbitrator may either issue a monetary award not to exceed one (1) year's salary or reinstate the employee to employment with the College/University for a term not to exceed one (1) year under the terms of a Performance Improvement Plan (PIP). The PIP shall be developed in consultation and cooperation with the employee and representatives of the Local UNION, provided however that the College/University shall have final decision making authority as to the content of the PIP, which is not subject to review. If the College/University determines, in its discretion, that the professional staff member has complied with the PIP, the professional staff member shall be eligible for renewal of their contract in accordance with Section A of Appendix 1. Failure to comply with the PIP shall subject the professional staff member to non-renewal at the conclusion of the year. Notice of non-compliance shall be provided to the professional staff member no later than April 1 of the terminal contract year. This reinstatement authority applies only to non-renewals based on job performance, and a non-renewal at the conclusion of the PIP year awarded by the arbitrator shall not be subject to the contractual grievance/arbitration provisions.

F. Time Limits

1. A grievance filed by the individual employee or the UNION must be filed at Step One within forty-five (45) calendar days from the date on which the act which is the subject of the grievance occurred or forty-five (45) calendar days from the date on which the individual employee should reasonably have known of its occurrence.

2. A group grievance that affects more than one College/University must be filed with the individual designated by the College/University Presidents to receive multi-college group grievances. The grievance statement must include the names of all the affected Colleges/Universities and a notice that the grievance is a group grievance. A copy of the group grievance must be simultaneously provided to the Director of the Office of Employee Relations.

3. The College/University Presidents will designate an individual to hear the group grievance on behalf of all the affected Colleges/Universities.

4. The time limits applicable to Step One will also apply to a group grievance.

5. Claims of violation of procedure by any promotion or retention committee must have been reported to the President of the College/University by the individual grievant within twenty-one (21) days from the date on which such claimed violation took place or twenty-one (21) days from the date on which the individual grievant should have reasonably known of its occurrence. In the event of failure to report the occurrence within such twenty-one (21) day period, the matter may not be raised in any later grievance contesting the validity of such committee's recommendation or any action based thereon.

6. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the forty-five (45) day period provided in Section F. 1 above, except that payroll errors and related matters shall be corrected to date of error.

7. Time limits provided for in this Article may be extended by mutual agreement of the parties at the level involved.

8. If the Step One decision by the College/University is not appealed within the appropriate time limit, such grievance will be considered closed and there shall be no further review or appeal.

G. Nothing in this Article shall be construed as compelling the UNION to submit a grievance to arbitration.

H. No reprisal of any kind shall be taken against any participant in this grievance procedure by reason of proper participation in such procedure.

I. Grievance records shall not be part of the personnel file utilized in the promotion or retention process unless such grievance records pertain to the matter under consideration.

J. To the extent that other articles in the Agreement are non-applicable to part-time employees, references to these articles in the grievance procedure are also non-applicable. The appointment or non-reappointment of part-time employees with three years or less service is not grievable.

K. Discipline

1. The discharge or suspension, or disciplinary reduction of salary of employees during the term of a one-year appointment or reappointment or a faculty member on an initial two- or three-year appointment or any one year reappointment shall be grievable in accordance with the procedures set forth in this Article to advisory arbitration. In the event the involved employee files a grievance, the burden of proving good cause for the discharge or suspension or disciplinary reduction of salary shall be upon the College/University. This provision shall apply to employees on multi-year contract who are suspended.

2. The College/University representative shall inform the employee at the beginning of an investigatory interview of the subject of the interview. If during the course of an investigatory interview conducted by the employer or its agent an employee reasonably believes that he/she may be disciplined as a result of information obtained from the interview, the employee may request a UNION representative. If so requested, the UNION representative shall be permitted to be present. The UNION representative shall be permitted to attend as an observer. The UNION representative may advise and counsel the employee by clarifying confusing and misleading questions.

3. In the event an allegation of misconduct is made by a College/University against an employee, and if he/she so requests, the employee shall be entitled to a representative of the UNION during any investigatory interview(s) concerning such allegation. The UNION representative shall be permitted to attend as an observer. The UNION representative may advise and counsel the employee by clarifying confusing and misleading questions. There shall be no presumption of guilt.

4. Prior to the imposition of discipline, the affected employee will have the opportunity to meet with the Dean or Vice President and the right to be accompanied by a UNION representative, if so requested.

5. Disputes concerning the application or interpretation of the New Jersey tenure laws or dismissals of employees protected by such laws shall not be grievable under this Agreement.

ARTICLE VIII

E. Employees serving on committees at the Colleges/Universities dealing with terms and conditions of employment shall not be considered to be representatives of the UNION, nor shall their views be construed to represent the views of the negotiating unit. Meetings conducted in College/University buildings pursuant to this section shall not be for the purpose of supporting or opposing any candidate for partisan political office, or for the purpose of distributing literature or information regarding partisan elections. The UNION may be charged for maintenance, security and other costs related to the use of the College/University building or facility that would not otherwise be incurred.

2. a. The President of the Council of New Jersey State College Locals, AFT/AFL-CIO and one (1) UNION representative designated on each campus will be permitted to reduce his or her teaching load by one course per semester for a maximum of eight (8) credits per academic year, provided that the UNION reimburses the College/University for such reduction and release time at the applicable overload rate plus the additional ABP (8%) and FICA employer contributions and provided that arrangements are mutually agreed to between the President of the College/University and the UNION.

b. At a College/University where prior practice or local agreement, as of July 1, 2011, afforded the President release time in excess of 8 credits per academic year, the President shall be entitled to release of no more than two (2) courses per semester to a maximum of twelve (12) credits per academic year or the amount of release time afforded during academic year 2011-2012, whichever is less. **ARTICLE XI
EMPLOYEE RIGHTS**

A. Meetings

Faculty or other employee meetings shall ordinarily be scheduled at least a week in advance during the normal hours of operation of the College/University. Special or emergency meetings may be called when required. Any such meetings shall not be scheduled with unreasonable frequency.

B. Textbooks and other teaching materials shall be selected by individual course instructors consistent with the resources, objectives and procedures of the department or equivalent academic unit and the academic program of the College/University.

C. Summer Session Contracts

1. Provided there is no time conflict, full-time employees shall have priority consideration in appointments to teach regular summer session courses within their individual competency, except in unusual circumstances.

2. Assignments to full-time employees to teach summer session courses shall be voluntary and consistent with normal College/University procedures. Such summer session assignments shall be distributed on an equitable basis.

3. Colleges/Universities will send out written summer session assignment agreements to full-time faculty by April 1, which must be returned by April 15 unless other dates are established by local negotiations. Additional assignments shall be offered as they become available. If an agreement is made to assign a full-time employee to teach a summer session course which is canceled, he or she shall have priority consideration for another available teaching or non-teaching assignment within his or her competency. If cancellation of a summer course assignment is likely, the affected full-time employee shall be notified in advance. Upon the request of the employee or the Local UNION, written reasons for the cancellation shall be provided within one week of the request.

4. For the purpose of this provision, full-time employees scheduled to commence their initial faculty appointment at the beginning of the academic year following the summer session shall be considered faculty members.

5. Salary for summer session assignments shall generally be paid on a half-session basis or for periods of three (3) weeks if the session is six (6) weeks or more, provided that the final payment shall not be made until the completion of the session.

6. The summer session rate per semester hour credit for courses that begin July 1 and thereafter shall be at the following minimum rate:

Rank	July 1, 2019	July 1, 2020	July 1, 2021	July 1, 2022
Professor, Associate Professor, Assistant Director in the Library (Professor in the Library) Librarian I (Associate Professor in the Library)	\$1575	\$1771	\$1805	\$1805
Assistant Professor, Instructor Librarian II (Assistant Professor in the Library) Librarian III (Instructor in the Library)	\$1525	\$1721	\$1755	\$1755
Professional Staff	\$1525	\$1721	\$1755	\$1755

7. Employees who have not been reappointed for the succeeding academic year are not covered by the provisions of Section C. If an individual who is not reappointed for the succeeding academic year is given a summer session

contract, he/she will be treated as an adjunct for the summer session and will have no rights under this Agreement as a summer session employee.

8. At the discretion of each College/University, part-time employees may be offered summer session courses. Interested part-time employees should make application to the appropriate College/University designee.

D. Full-time employees shall be advised by public notice of courses within their individual competency which are being considered for assignment on an overload or adjunct basis. Such employees shall be permitted a minimum of five (5) calendar days within which to apply to teach such course or courses on an overload basis except in unusual circumstances. The requirement as to the five (5) day announcement shall become inoperative seven (7) calendar days prior to the date classes commence. The balance of courses offered on an adjunct versus overload basis is an academic judgment to be made in consultation with the involved department. In the event that any employee feels that he or she is being treated in an inequitable manner in regard to the overload assignments, the employee may bring the matter to the attention of the President or his/her designee who either in person or through a designee will conduct a prompt administrative review. The determination of the review is not subject to the grievance procedure.

E. Vacancies

1. If public notice of a vacancy within the unit is to be made, the College/University will inform the UNION in advance of such publication.

2. Where an employee applies for an open position, he or she shall be notified of the disposition of his or her application prior to publication of the name of the successful applicant.

F. Identification Cards

Employees shall be provided with official identification cards by the College/University at no cost to the employees.

G. Food Service

Employee dining facilities will be clearly designated. Where such facilities do not exist, the Local UNION and the College/University will jointly endeavor to provide such facilities.

H. No employee shall be required to join or refrain from joining any organization as a condition of employment or retention.

I. Library Collections

There shall be no abridgment of access to library collections for reasons of content or suitability. This paragraph shall not be construed to interfere with sound principles of library management, such as the protection of rare or valuable materials.

Library acquisitions will be made on the basis of educational judgment and budgetary limitations and shall remain free of censorship.

J. Where available at the Colleges/Universities, parking privileges shall be provided to employees without charge (except at facilities financed by the Educational Facilities Authority). The assignment or location of parking places shall be resolved between the Local UNION and the College/University.

K. Where employees are required to attend academic functions such as convocation or graduation, the wearing of academic regalia shall be at the option of the employee unless paid for or provided by the College/University.

L. Faculty members assigned to teach in intersessions, pre-sessions or summer sessions occurring in the month of May or June shall be compensated for such assignments at the appropriate summer session rate, or the overload rate, whichever is higher. For the purposes of intersessions, pre-sessions or summer sessions occurring during the period September 1 to June 30, the limitation on extra teaching assignments for part-time faculty set forth in Section N shall apply.

M. The Colleges/Universities will not abrogate the lawful rights of employees as to opening of their mail or the privacy of their offices or personal belongings.

N. At the option of each College/University, part-time professional staff and librarians may be permitted to teach courses over and above the basic workload established in their employment contract. ARTICLE XII

FACULTY RESPONSIBILITIES

A. 1. Institutional responsibilities of the faculty shall include teaching responsibilities and other responsibilities as defined below. The basic academic year teaching load shall be assigned over thirty-two (32) weeks of instruction and shall occur during the period of payment which commences September 1 and ends on June 30, and may not exceed such thirty-two (32) week period unless otherwise agreed to by the concerned faculty member.

2. a. After consultation with the Local UNION, a College/University may begin classes up to one calendar week prior to September 1, in which case the commencement of the period of payment for 10-month employees may be advanced pursuant to negotiations with the Local UNION, subject to the proviso that the period of payment shall not commence prior to the beginning of classes. When there is an advancement, the end of the period of payment shall be correspondingly advanced such that the annual salary will be distributed over the same number of days as it would have been had there been no advancement, and the second part of the across-the-board salary increase for the fiscal year shall be advanced so that affected employees receive the same annual compensation as they would have received had there been no advancement.

b. Policies and practices at a College/University granting (or not granting) compensation for employees performing duties prior to the beginning of classes shall not be affected by the application of this Subsection.

B. Teaching Responsibilities

1. The basic academic year teaching load for full-time faculty shall be twenty-four (24) teaching credit hours. All overload for full-time faculty shall be voluntary and overload rates shall be paid for all voluntary teaching assignments beyond twenty-four (24) teaching credit hours. No full-time faculty member may be assigned more than fifteen (15) teaching credit hours per semester within load. The teaching load for part-time faculty shall be a minimum of one half the teaching load for full-time faculty.

2. a. The teaching assignment of a faculty member shall not require more than three (3) different course preparations in any semester, except where it can be demonstrated that the course offerings and class sections in a

department cannot reasonably be scheduled on this basis, or where a faculty member's schedule includes one or more two (2)-student-credit-hour courses. Under such circumstances one additional course preparation may be assigned.

b. It is recognized that one-student-credit-hour courses and activities such as, but not limited to, supervision of or instruction in independent study, internships, practice teaching, studio or physical activity programs do not lend themselves to computation of numbers of preparations under Subparagraph (a) above. However, it is recognized that every effort will be made when assigning such activities to arrive at an overall assignment of responsibilities which substantially and equitably equates to the model set forth in Subparagraph (a).

Disputes concerning this subparagraph may be submitted to binding arbitration pursuant to Article VII. In the event that a violation is found, the remedy shall be the award of a payment equal to one overload credit for each additional preparation found to have been improperly imposed.

3. Overload compensation shall be established at the following minimum rates per teaching credit hour:

<u>Title</u>	<u>Spring 2020</u>	<u>Sept 2020</u>	<u>Sept 2021</u>	<u>Sept 2022</u>
Professor, Associate Professor, Assistant Director in the Library (Professor in the Library) Librarian I (Associate Professor in the	\$1575	\$1771	\$1805	\$1805
Assistant Professor, Instructor, Librarian II (Assistant Professor in the Library) Librarian III (Instructor in	\$1525	\$1721	\$1755	\$1755
Professional Staff	\$1525	\$1721	\$1755	\$1755

4. The basic academic year teaching load of twenty-four (24) teaching credit hours or its equivalent shall be satisfied in accordance with the existing practices or policies at each College/University in effect as of July 1, 2017. The term “teaching-credit hours” shall be defined as per the existing practices and policies in place at each College/University as of July 1, 2017. The existing practices and/or policies at Ramapo College concerning the faculty workload model shall be as set forth in the notice provided by Ramapo dated June 22, 2016. A negotiable change by the College/University to an existing practice or policy shall be accomplished through Local negotiations, provided that (a) no College/University shall impose any negotiable terms or conditions of employment upon a Local UNION without exhausting PERC’s impasse procedures (N.J.A.C. 19:12-1.1 et seq.) and (b) notwithstanding any language in this Agreement to the contrary and for the purposes of this provision only, such agreement, once negotiated or imposed, shall be enforceable through binding arbitration under Article VII. This provision does not apply to XII B.5 below.

5. Faculty members assigned duties involving modes of instruction other than classroom, such as, but not limited to, independent study, supervision of internships or practice teaching, or assigned to teach regularly scheduled courses for which college credit is not granted, shall receive teaching credit hours for such activities according to the policies and practices currently in force at the respective Colleges/Universities unless specified otherwise in this Agreement.

a. In the event that any College/University makes an assignment of any activity covered herein for which there is no current practice or policy or intends to change a practice or policy, the College/University shall notify the Local UNION in writing of such action and, upon written request of the Local UNION, the President shall designate an official

of the College/University to consult with the Local UNION concerning the new or changed policy or practice. Such written request must be received by the President within thirty-one (31) days of the College's written notice to the Local UNION. The consultation shall be completed within thirty (30) days of the Local UNION's written request to the President, unless said time limitation is extended by mutual consent of the parties.

b. In the event that, after consultation, the Local UNION is of the opinion that the involved policy or practice is unreasonable, the Local UNION, within seven (7) calendar days, may request negotiation of those matters which it deems to be mandatorily negotiable. Disputes as to the negotiability of such matters shall be resolved in the manner prescribed by the New Jersey Employer-Employee Relations Act, as amended.

c. Nothing contained herein shall limit such authority as the College/University may have under law to direct that workload assignments be implemented during the pendency of consultation.

6. The specific assignments for student teaching shall be equitable in regard to travel time and distance. Disagreement concerning the teaching credit hour load for supervision of student teachers shall be resolved between the Local UNION and the College/University.

7. Assignment of non-teaching duties within load for any faculty member, for any purpose, is a matter of academic/managerial judgment of the College/University. The President, or his or her designee, prior to the commencement of each semester, and prior to the allocation of non-teaching assignments to various purposes and individual faculty members, will consult with the UNION as to such allocations and the contemplated manner of selecting individual faculty members who will receive them. In the event that any faculty member feels that he or she is being treated in an inequitable manner in regard to alternate assignments within load, he or she may bring the matter to the attention of the President, who either in person or through a designee will conduct a prompt administrative review of the matter.

C. Other Responsibilities

1. Non-teaching duties include scholarly, research and artistic activities; service through sharing their professional expertise both within and beyond the College/University; and the mentoring and advisement of the students in their courses and programs. During the period of instruction faculty shall be present on campus as necessary to their professional responsibilities and shall also be accessible to students, faculty and staff colleagues through whatever normal, electronic, telephonic or written modes they find most convenient during the academic year. Nothing contained herein shall in any way affect the terms and/or continued application of any locally negotiated agreements and/or previous practices pertaining to non-teaching responsibilities, nor shall anything contained herein affect the rights of the College/University, UNION or Local UNION under the New Jersey Employer-Employee Relations Act.

2. Faculty responsibilities which have been traditionally performed by the faculty and are reasonable and consistent with sound academic practice shall be continued consistent with previous practice. Disagreements concerning their specific nature shall be resolved by the Local UNION and the College/University. These responsibilities shall be performed within the academic year, provided that assignments outside the thirty-two (32) weeks of instruction referred to above shall not be made individually or collectively on an inequitable basis.

ARTICLE XIII

APPOINTMENT AND RETENTION OF EMPLOYEES

A. Appointment and reappointments of employees shall be made by the Board of Trustees of each College/University upon the recommendations of the President. Appointments and reappointments of employees are subject to the availability of funds and proper recording.

B. 1. When a prospective employee is offered initial appointment or reappointment, he or she shall be provided with a letter of appointment or reappointment contract. The letter of appointment or reappointment contract shall include:

- a. The name of the employing College/University
- b. The dates for which the appointment or reappointment is effective
- c. The title of the position
- d. The salary rate
- e. A list of the field or fields in which he or she is expected to teach or work.

2. Prospective initial appointees and reappointees shall also be provided with a copy of this Agreement and a copy of the local employee handbook, if any. When a prospective employee accepts his/her appointment, the College/University shall provide the Local UNION with such employee's name, address and telephone number.

3. Upon commencing employment, each new employee shall be provided with a copy of the current salary schedule.

4. Full-time faculty may initially be appointed for two or three years. The letter of appointment shall state that the faculty member will be subject to a performance review on an annual basis pursuant to normal reappointment review procedures in the normal evaluation cycle. Continued employment for the initial two or three year appointment is conditioned upon the faculty member meeting the criteria of the College/University. Recommendations for reappointment beyond the second or third year term will only be made in the reappointment year.

C. Notice of reappointment or non-reappointment of full-time employees governed under the tenure provisions of N.J.S.A. 18A:60-6, *et seq.*, shall be given in writing not later than April 1 of the first and second academic years of service and not later than February 1 of the third, fourth, fifth and sixth years of service. When a full-time faculty member is hired at mid-year, unless the individual is appointed to replace someone on leave or in a bona fide emergency, notice of reappointment or non-reappointment for the next full academic year shall be given in writing not later than May 1.

D. Full-time employees appointed to replace persons on leave or on bona fide emergencies shall be informed in their letter of appointment contracts that they will not be considered for reappointment; however, such employees shall be subject to normal evaluation procedures up to and including the first level of administrative review. Such appointments may be for one-year or half-year periods. Professional staff may be appointed for up to one-year.

If an opening develops at the College/University for which the employee is eligible, he/she may apply, and the material developed in the aforesaid evaluation procedures will be considered along with any additional information the employee presents.

If employment extends beyond one (1) academic year, such employees will be on a normal contract and will be considered for reappointment in the normal manner unless reappointed to replace an employee on leave or to fill a position where there was no bona fide affirmative action search or to fill a grant-funded position. An employee may serve a third year on a XIII.D appointment only if reappointed to replace an employee on leave or to fill a grant-funded position. In no event will an employee be on a XIII.D appointment beyond three years.

E. Full-time employees other than those governed by Paragraphs C and D above shall receive a minimum of ninety (90) days written notice of non-reappointment if employed for less than two (2) full years at the time of the giving of the notice and one hundred and fifty (150) days written notice of non-reappointment if employed for more than two (2) full years at the time of the giving of the notice.

F. A full-time faculty member assigned full-time responsibility for one-half (½) of an academic year shall be paid one-half (½) of the academic year salary of the rank and step at which he or she has been hired and shall be accorded the privilege of faculty status.

G. Individual letter of appointment and reappointment contracts for full-time employees shall be for a period of one (1) year except for a) normal one-semester appointments made at mid-year, b) one-semester appointments made pursuant to

Section D above, c) “multi-year contracts” as provided in N.J.S.A. 18A:60-6, *et seq.*, as applied to professional staff, and d) initial appointments for a period of two or three years pursuant to Sections B.4 and O. Election of non-tenured department chairpersons shall not convey employment beyond the letter of appointment or reappointment contract in effect.

H. In the event a full-time employee serving under a “multi-year contract” is given notice of non-renewal under the terms of N.J.S.A. 18A:60-6, *et seq.*, at the request of the employee, the College/University giving such notice shall provide written reasons for its decision.

I. Full-time employees serving under one (1)-year appointments or reappointments who are notified of non-reappointment shall, at the written request of the employee, be provided with written reasons for such decision by the College/University.

J. The procedures for appointment and reappointment of employees utilized in the College/University, if universally applicable, or in the division, department or similar unit in which the employee is employed, shall be fairly and equitably applied to all candidates. The procedures shall provide for consideration based on criteria established by the College/University, appropriate to the College/University and the work unit. The current and applicable procedures including a statement of such criteria shall be provided in written form for the understanding of all affected employees. Reappointment procedures and notice requirements for full-time employees with less than three years service shall apply to part-time employees. However, reappointment procedures and notice requirements applicable to part-time employees may be modified by agreement between the Local UNION and the College/University. If these procedures are not in written form, they will be reduced to writing and a copy will be provided to each affected employee.

This provision shall not be construed as a waiver of the Colleges’/Universities’ right to appoint and reappoint, under procedures set by the Colleges/Universities, employees not included in the negotiating unit. The Colleges/Universities, however, recognize the value of peer consultation and except in unusual circumstances will consult with the involved department concerning the procedures to be used in any particular case involving negotiation unit members.

K. Final recommendations for appointment of full-time employees governed under the tenure provisions of N.J.S.A. 18A:60-6, *et seq.*, shall be made to the President no later than February 15 of the first and second academic years of service and not later than December 1 of the third, fourth and fifth academic years of service. Where practicable final recommendations shall be made for other full-time employees on a similar timetable.

L. Individual Letter of Appointment or Reappointment Contracts

Any individual letter of appointment or reappointment contract between a College/University Board of Trustees and an individual employee shall be subject to and consistent with the terms and conditions of this Agreement. Where such contract is inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

M. Full-time employees who are employed under a grant may be terminated during the term of their contracts if the grant money runs out by giving them sixty (60) days notice. This termination is not a retrenchment within the meaning of the Agreement, or statutes, nor is it subject to such provisions. Such employees will be notified in their letter of appointment and reappointment contracts that their employment is contingent on continuation of grant funding. Part-time employees on grants are not included in the unit.

N. The dates set forth in this Article may be changed by local agreement except where the dates are required by statute.

O. Each College/University shall have the discretion to establish two or three year non-renewable teaching appointments based upon criteria established by policy at each College/University. Such appointments shall not exceed six (6%) percent of the regular full-time faculty lines at the College/University. Each faculty member appointed pursuant to this section shall be evaluated annually using the normal evaluation procedures up

to and including the first level of administrative review. Continued employment for the full term of the appointment is conditioned upon the faculty member meeting the performance standards of the College/University.

Each College/University shall furnish the UNION with a list of any faculty members appointed pursuant to this section no later than October 15 and February 15 of each academic year.

**ARTICLE XIV
PROMOTIONAL PROCEDURE**

To the extent that a College/University has a locally negotiated or accepted procedure and/or practice regarding promotions for full time faculty, they shall remain in full force and effect until such time as a change is locally negotiated in accordance with the New Jersey Employer-Employee Relations Act and its governing regulations. At other Colleges/Universities, the following procedures shall apply unless and until changed through local negotiations in accordance with the New Jersey Employer-Employee Relations Act and its governing regulations.

A. Full-time faculty members whose qualifications meet or exceed the requirements for a higher academic rank shall be eligible for promotional consideration to that rank. Faculty members who are promoted shall advance four (4) salary ranges. Their new salaries shall be computed pursuant to Article XXII, Section C.1.

B. An eligible full-time faculty member may make written application for promotional consideration on or before November 1. The application may be accompanied by any substantiating documentation which the individual cares to submit.

C. The procedures for promotional consideration utilized in the College/University, if universally applicable, or in the division, department or similar unit in which the faculty member is employed, shall be fairly and equitably applied to all applicants. The procedures shall provide for consideration based on criteria established by the College/University, appropriate to the College/University and the work unit. The current and applicable procedures, including a statement of such criteria, shall be provided in written form for the understanding of all affected faculty members. Full-time faculty members who meet or exceed the merit-based criteria established for range adjustments are eligible to be considered for and may apply for a range adjustment within rank. The merit-based criteria will be established by the College/University and published for the understanding of affected employees. The procedures for consideration will be negotiated between the College/University and the Local UNION. The procedures for consideration utilized in the College/University, if universally applicable, or in a division, department or similar unit in which the faculty member is employed, shall be fairly and equitably applied to all applicants and nominees.

An employee receiving a normal increment shall advance to the next highest step in the range assigned to his or her title. Employees at the maximum of their range do not receive an increment on their anniversary dates.

2. Each employee shall, upon appointment, be assigned an anniversary date which shall be the pay period following the completion of twenty-six (26) full pay periods of employment if the employee is appointed to Steps 1-7. If the employee is appointed to Steps 8 -10, the anniversary date shall be the pay period following the completion of thirty-nine (39) full pay periods of employment. 4. Upon receiving a normal increment, an employee's anniversary date shall be advanced twenty-six (26) pay periods if the employee is on or below Step 7 after receiving the increment, or thirty-nine (39) pay periods if the employee is on Step 8 through 10 after receiving the increment. In either case, the employee shall be assigned a new anniversary date on the basis of the effective date of the salary increase as set forth in Paragraph B.2 above.

c. Effective on or after June 24, 2006, if the employee has been at the eighth through tenth step of a range for less than 39 pay periods before advancement, and,

1) If the advancement results in Step 7 or less, the employee's anniversary date will be the pay period which reflects the difference between the time previously served at Step 8, 9 or 10 and 39 pay periods, but in no case shall the anniversary date be more than 26 full pay periods from the effective date of the advancement;

2) If the advancement results in Step 8, 9 or 10 the anniversary date will be determined in accordance with C.1 (a);

The terms of this provision shall not operate as a waiver of the rights of the UNION, the Local UNION or the STATE under the New Jersey Employer-Employee Relations Act.

ARTICLE XXIV

VACATION - SICK LEAVE

A. Definitions:

Unless otherwise indicated, whenever used in this Article:

1. The term "full-year employee" shall mean an employee having a twelve-month professional obligation.
2. The term "ten-month employee" (September 1 to June 30) shall mean any employee other than a full-year employee.

B. Vacation Leave

1. Full-Year Employees

Full-year employees, other than those serving in the titles of Demonstration Teacher, Demonstration Specialist–A. Harry Moore School, Instructor, Assistant Professor, Associate Professor, Professor, or Distinguished Professor, shall accrue one and one-half (1½) days of vacation credit for each full month of service from the date of appointment through December 31 of the year in which the appointment occurs. For each succeeding calendar year following the year in which initial appointment occurred, said employees shall accrue twenty-two (22) days vacation credit.

2. Ten-Month Employees

Ten-month employees, other than those serving in the titles of Demonstration Teacher, Demonstration Specialist–A. Harry Moore School, Instructor, Assistant Professor, Associate Professor, Professor or Distinguished Professor, shall accrue one and one-half (1½) days vacation credit for each full month of service from the date of appointment through December 31 of the year in which the appointment occurs. For each succeeding calendar year following the year in which the appointment occurred, said employees shall accrue eighteen (18) days vacation credit.

3. Part-time employees other than those serving in the above titles shall be entitled to a proportional number of paid vacation days. The part-time employee's workload as established in the employment contract will be used to determine the number of pro-rata vacation days.

4. General

a. For the purpose of vacation credit computation, twenty (20) work days within a calendar month shall equal a full month of service.

b. A maximum of one (1) full year's vacation credit may be carried over to the next calendar year with the approval of the President or his or her designee.

c. Upon termination, employees shall be entitled to unused earned vacation allowance for the current year, pro rated upon the number of months worked in the calendar year in which the termination takes place, and any unused earned vacation credit which may have been carried over from the preceding calendar year.

d. In the event an employee dies having earned unused vacation credits, a sum of money equal to such vacation credits shall be calculated and paid to his or her estate.

e. Use of vacation credit must be approved in advance by the President of the College/University or his or her designee.

f. Employee requests for the approval of utilization of vacation days or accrued compensatory time for the purpose of religious observance shall not be unreasonably denied.

C. Sick Leave

Employees may on occasion be unavoidably absent because of personal or family illness. An employee who finds it necessary to be absent because of illness should communicate with the President or his or her designated officer as soon as possible.

Sick leave is occasioned by the absence of an individual from duty because of illness, accident, exposure to contagious disease, necessary attendance upon a member of the immediate family who may be seriously ill, or death in the immediate family.

Employees are entitled to one and one-quarter ($1\frac{1}{4}$) days of sick leave for each completed month of employment for a total of twelve and one-half ($12\frac{1}{2}$) days annually for ten-month employees and a total of fifteen (15) days annually for twelve-month employees. Part-time employees shall be entitled to a proportional amount of sick leave. The part-time employee's workload as established in the employment contract will be used to determine the pro rata sick leave. All unused sick leave shall be cumulative.

Consideration may be given by the Board of Trustees to advancing sick leave beyond the days accumulated for full-time employees. Any such advance must be paid back by the involved employee. Pay-back by the involved employee shall be by arrangement for deduction from subsequent accumulation of sick leave, except where the individual leaves the employ of the College/University prior to completing the pay-back.

D. Special Sick Leave

If an employee is medically unable to work full time, but is capable of working a reduced load, the employee may be permitted to work at such reduced load, receive full pay, and use pro rated earned sick leave to make up the difference between the reduced workload and the regular full-time workload. Earned sick leave used in this manner shall be deemed Special Sick Leave. The President or his/her designee may require appropriate medical documentation that the employee can work part time but not full time. Additionally, the President or his/her designee may consider operational needs in deciding whether the employee may work on a part-time basis, and may consider whether the employee has complied with the policies related to the use and reporting of sick leave, as defined in section C above, during the employee's period of employment at the College/University. If a faculty member takes Special Sick Leave, the period of the leave may be considered on a case-by-case basis, but normally such leave shall be for a full academic semester. Where

Special Sick Leave is granted to a faculty member during the course of the semester, that leave shall continue until the end of the semester. In the event Special Sick Leave is granted for the following semester, it shall last the entire semester. Exceptions may be considered at the Local level on a case-by-case basis. Any subsequent request to use Special Sick Leave must be separately requested by the employee and will be separately considered by the President or his/her designee. An employee's request to use Special Sick Leave shall not be unreasonably denied.

E. Donated Leave

There shall be a Donated Leave program at each College/University for professional staff and librarians. The procedures for the Donated Leave program will be negotiated between the College/University and the Local UNION. This provision shall not apply to Colleges/Universities that already have an established Donated Leave program.

F. Letters of recommendation relating to initial appointment, which were solicited under conditions of confidentiality shall be excluded from the employee's inspection but shall not be used in personnel actions subsequent to full-time employment.

G. 1. An employee shall have the right to respond to any document in his or her personnel file. Such response shall be directed to the President of the College/University and shall be included in the employee's personnel file, attached to the appropriate document.

J. Materials may be removed from an employee's personnel file upon mutual agreement of the employee and the President of the College/University or his or her designee. After five (5) years from the date of the issuance of a written warning, including a counseling memo, the written warning, including a counseling memo, shall be removed from the personnel file upon written request of the employee, provided the employee is not served with another written warning, including a counseling memo, prior to the expiration of the five (5) years. **ARTICLE XXXVIII
MAINTENANCE AND IMPLEMENTATION OF AGREEMENT**

A. This Agreement incorporates the entire understanding of the parties on all matters which were the subject of negotiations. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter except that proposed new rules or modification of existing rules, including local rules, governing working conditions shall be presented to the UNION and negotiated upon the request of the UNION as may be required pursuant to the New Jersey Public Employer-Employee Relations Act, as amended.

B. 1. It is understood and agreed that any provisions of this Agreement which require amendment to existing law or the appropriation of funds for their implementation shall take effect only after the necessary legislative action.

2. Whenever legislation is necessary to implement this Agreement, the STATE shall assume responsibility for seeking the introduction of such legislation.

C. Any policy, practice, rule or regulation of a College/University Board of Trustees or of a College/University Administration, pertaining to wages, hours, and conditions of employment, which is in conflict with any provision of this Agreement, shall be considered to be modified consistent with the terms of this Agreement.

**ARTICLE XXXIX
SAVINGS CLAUSE**

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law or not subject to collective negotiations, or has the effect of making the STATE or a State College/University ineligible for Federal funds, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. In the event of the above circumstances, then either party shall have the right immediately to reopen negotiations between the STATE and the UNION with respect to a substitute for the affected provision to the extent permitted by law.

**ARTICLE XL
MANAGEMENT RIGHTS**

- A.** The STATE, the Colleges/Universities and the Boards of Trustees retain and reserve unto themselves all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and the United States of America.
- B.** All such rights, powers, authority and prerogatives of management possessed by the STATE, the Colleges/Universities and the Boards of Trustees are retained, subject to limitations as may be imposed by the New Jersey Public Employer-Employee Relations Act, as amended, and except as they are specifically abridged or modified by this Agreement.
- C.** The STATE and the Boards of Trustees retain their responsibility to promulgate and enforce rules and regulations, subject to limitations as may be imposed by the New Jersey Public Employer-Employee Relations Act, as amended, governing the conduct and activities of employees and which are not inconsistent with the express provisions of this Agreement.

**ARTICLE XLI
RETRENCHMENT, RETRAINING, AND REINSTATEMENT
FOR FULL-TIME EMPLOYEES**

- A.** 1. When a tenured faculty member is to be retrenched for financial reasons the College/University will attempt to provide the involved individual with a full academic year or two successive semesters' written notice of such action, but in no case shall such written notice be less than one hundred ninety-five (195) days.
2. When a tenured faculty member is to be retrenched for programmatic reasons exclusively, the College/University will provide the involved individual with a full academic year or two successive semesters' written notice of such action.
3. Employees who are to be retrenched during the term of a multi-year contract will be given one hundred eighty (180) calendar days written notice of such action.
4. In the event it becomes apparent that retrenchment notices will be issued, the College/University will inform the UNION of the general circumstances, and if so requested by the UNION, within five (5) calendar days of being informed, the College/University will consult with the UNION concerning such circumstances.
5. In the event that a tenured faculty member is notified of retrenchment and feels that with additional academic training, he or she may qualify for another position at the College/University, and the President agrees that, subject to acceptable completion of such training and the availability of such other position, and after consultation with the appropriate department, similar academic unit or library, that the individual would qualify, the individual will be given priority consideration for an available sabbatical leave under Article XXVII and/or Tuition Reimbursement under Article XXVIII. The President in such circumstances may at his or her discretion waive the requirements of Article XXVII.A.1.

In addition, as an exception to the limitations of Article XXVIII, the President may approve tuition reimbursement out of available funds up to a maximum of sixteen (16) credits for the involved academic year.

6. If a fiscal crisis which would require the reduction of members of the unit occurs at any or all of the State Colleges/Universities, and if the occurrence does not permit the notification periods specified herein, then, if authorized by the Governor, as an alternative, the dollar value of the shortfall may be met by withholding a portion of the current salaries of all unit employees at the affected College/ University for part or all of the remainder of the fiscal year. The percentage of salary retained by the College/University and withheld shall be the same for all employees but shall not exceed 3% of their annual base pay. Monies which were withheld shall be returned to employees in the following fiscal year or in the next following fiscal year if the crisis continues. The contribution to the individual's pension plan shall not be reduced during the period of this withholding.

Whenever there is a likelihood that this program of adjustment might have to be employed, the STATE shall consult with the UNION on all aspects of the crisis and consider any alternative suggestions which are offered.

7. Nothing herein shall be construed as a waiver of any rights an individual employee may have under the tenure laws or other STATE or Federal laws or constitutional provisions.

8. In the event of a reduction in force due to a fiscal crisis, each teaching, library or administrative area to be reduced shall constitute a layoff unit. Layoff units need not be coincident with established departments or other subdivisions or units but may include identifiable programs or further subdivisions or specialties within programs as appropriate.

9. To the extent it is not inconsistent with the preservation of the institution's academic integrity and educational purpose, layoffs within a layoff unit shall be made in order of years of service, laying off employees with the fewest years of service first.

10. The College/University shall establish a reemployment list, including the names and qualifications of all employees on layoff status at the College/University. Non-tenured or non-multi-year contract employees shall remain on the reemployment list until the end of the annual contract pursuant to which they were employed on the date of layoff. Employees who are tenured on the date of layoff shall remain on the reemployment list for a period of five years from the date of layoff. Employees serving under a multi-year-contract on the date of layoff shall remain on the reemployment list for the duration of the multi-year contract. The College/University shall not fill a vacancy in an administrative, library or teaching area without first making a written offer of reemployment by certified mail to those employees on the reemployment list, if any, who the President believes as a result of his or her academic judgment are qualified to fill the position. In the event that two or more employees on the reemployment list have accepted an offer of reemployment of a single vacancy, the College/University shall give reemployment preference in faculty, librarian and professional staff positions in reverse of the order in which they were laid off that is, last laid off, first rehired.

11. Employees offered reemployment shall have two weeks from receipt to respond to an offer, which shall be sent via certified mail return receipt requested, after which it shall be deemed to have expired. Employees on a re-employment list shall have the obligation to keep the College/University President informed of current addresses.

12. An employee on layoff status who is re-employed after layoff shall be reappointed with a rank and salary at least equivalent to his or her rank and salary step when laid off, unless employed in another capacity.

B. While any non-reappointment action of a College/University is not to be considered a retrenchment, any employee who is notified of non-reappointment with the exclusive reason being financial considerations will be given priority consideration for continuation in the job held at the time of non-reappointment, under the following circumstances:

1. The involved individual notifies the President of the College/University within thirty (30) days of non-reappointment, in writing, of his or her desire to be given preferential consideration.

2. The individual responds in writing to any written offer to the reinstated job within ten (10) calendar days of mailing of such written offer, agreeing to acceptance of the job. The College/University may not require a starting date

which is less than fourteen (14) calendar days from the date of the expiration date of the College's/University's written offer. For faculty members, if the reporting date does not coincide with the beginning of a semester, the individual shall, upon request, be given a reporting date coinciding with the start of such next semester if the term of the position includes such next semester.

3. In the event that the individual accepts the job offer and commences employment during the academic year following the individual's last previous date of employment, such individual will be treated as not having a break in service, except that any necessary adjustments in the reappointment process will be made by the College/University in consultation with the individual and the UNION. In the event the individual has not been employed for any part of the academic year preceding the commencement of reemployment, the individual will be treated as a new employee, except that the individual's rank and salary rate may not be lower than the individual's rank and salary rate at the time last employed.

4. The priority rights will continue for the two (2) academic years succeeding the year in which notice of non-reappointment is given.

**APPENDIX I
MULTI-YEAR APPOINTMENTS
FOR FULL-TIME PROFESSIONAL STAFF**

ARTICLE I: CONTRACTS FOR FULL-TIME PROFESSIONAL STAFF (NON-FACULTY)

A. Eligibility for Multi-Year Contracts

Each member of the professional staff not holding faculty rank or concurrent academic rank who is a member of the State College/University bargaining unit shall be eligible for a multi-year appointment or reappointment contract in accordance with the provisions of Chapter 163 of the Laws of 1973. After completion of five years of probationary service, full-time employees not holding faculty rank shall be considered for a multi-year contract. All multi-year contracts granted effective July 1, 2017 or thereafter shall be for three (3) years, unless the employee is on a four-year or five-year contract as of June 30, 2017.

For employees who are currently serving in a four-year contract as of June 30, 2017 their next two succeeding contracts, if granted, shall be for four (4) years. Subsequently, all contracts granted shall be for three (3) years.

For employees who are serving in a five-year contract as of June 30, 2017, their next two succeeding contracts, if granted, shall be for five (5) years. The contract after that will be for four (4) years. Subsequently, all contracts granted shall be for three (3) years.

A College/University may, in its sole discretion, grant a multi-year contract for a duration longer than provided hereunder, but not for longer than five (5) years, as provided by N.J.S.A. 18A:60-14. The determination to grant or not to grant a multi-year contract for a duration longer than provided hereunder and/or under the statute is not subject to the contractual grievance/arbitration provisions.

When a member of the professional staff is offered a multi-year appointment or reappointment contract, he or she shall be provided with the information described in Article XIII.B of the Master Agreement.

The fiscal year is from July 1 to June 30. Contracts for professional staff members shall be concurrent with the fiscal year. In order for the initial term of employment to qualify as a full fiscal year for purposes of the multi-year contract probationary period, employment under the contract must begin no later than December 31.

B. Multi-Year Contract Appointments and Reappointments

Each candidate for a multi-year appointment or reappointment contract shall undergo a thorough and rigorous review of his or her qualifications for continued employment at the College/University, and such employee will be expected to present evidence of past performance and future potential such as to warrant the granting of a multi-year contract in the candidate's professional staff position. Subsequent to a notice of non-renewal to an employee, a College/University may, in its discretion, declare the terminal year of a then current multi-year contract as a Performance Improvement Year to be accompanied by a Performance Improvement Plan (PIP). The College/University's declaration of the Performance Improvement Year provided herein shall dismiss any pending grievance challenging the non-renewal. The PIP shall be developed in consultation and cooperation with the employee and representatives of the Local UNION, provided however that the College/University shall have final decision making authority as to the content of the PIP, which is not subject to review. If the College/University determines, in its discretion, that the professional staff member has complied with the PIP the professional staff member shall be eligible for renewal of their contract in accordance with Section A of this Appendix. Failure to comply with the PIP shall subject the professional staff member to non-renewal at the conclusion of the year. Notice of non-compliance shall be provided to the professional staff member no later than April 1 of the terminal contract year. In the event of a dispute over the compliance of the PIP, the employee may appeal

to the President or his/her designee for administrative review. The final determination of whether to renew a contract after a terminal PIP year shall not be subject to the contractual grievance/arbitration provision.

C. Process of Evaluation

1. The entire professional performance record of a member of the professional staff shall be considered at the time such employee is being considered for a multi-year appointment or reappointment contract. The candidate may include any additional material which he/she deems appropriate.

2. Each member of the professional staff who is eligible for a multi-year appointment or reappointment contract shall prepare a written self-evaluation which shall include: a review of past performance and achievements bearing on the contemplated personnel action; a complete description of current professional responsibilities; an analysis of professional contributions and potential for continued development; and a statement of professional goals and objectives. The candidate may include any additional information which he/she deems appropriate.

3. Each member of the professional staff who is eligible for a multi-year appointment or reappointment contract may be evaluated by employees, who may be in or out of the bargaining unit, who serve in a regular and continuing functional working relationship to the candidate. Employees serving in a functional working relationship shall be those identified by the immediate supervisor of the candidate, after consultation with the candidate. The candidate's immediate supervisor shall request such identified employees to provide a written appraisal of the candidate's ability, performance, contributions, and potential. Where the candidate and the immediate supervisor, after consultation, disagree as to which employees serve in a functional working relationship to the candidate, the immediate supervisor and the candidate each will identify employees, if any, who serve in a functional relationship and the immediate supervisor will request written appraisals from all employees so identified.

4. Each College/University shall consult with the Local UNION as to whether the concept of "User Evaluations" shall be made a part of the multi-year contract evaluation process. If a decision is made to utilize this concept, the College/University shall consult with the Local UNION concerning procedures under which the concept will be implemented and the process by which a user evaluation instrument or instruments will be developed. "Users" for the purpose of this Article shall mean a clearly identifiable constituency including a sufficient number of individuals who have an ongoing and regular professional relationship with the candidate so as to provide a meaningful sample of evaluations.

5. All evaluations of the candidate prepared by him or herself, by employees serving in functional working relationships and by users shall be submitted to the candidate's immediate supervisor, who shall see that the evaluation material is placed in the candidate's personnel file in accordance with the provisions of Article XXIX of the Master Agreement. The candidate's personnel file shall be available to the supervisor and other administrative officers for use in making their recommendations.

D. Definition of Immediate Supervisor

For the purposes of this Article only, the immediate supervisor shall be construed as that employee, including Department Chairpersons, who is first reached in the normal chain of command leading from the candidate pursuant to functional reporting relationships, established prior practices and/or prior agreement, at each individual College/University. Notwithstanding the foregoing, and without waiving any legal rights, the parties agree that this subsection does not and is not intended to modify, alter or amend Article I Section A during the term of this Agreement.

E. Time Limit on Grievances

Grievances involving alleged violations of this Article must be filed within forty five (45) days from the date upon which such claimed violation took place or forty five (45) days from the date on which the candidate should have reasonably known of its occurrence.

F. Review/Notification Timetable

By October 1 of each year, the President of the College/University, in consultation with the Local UNION, shall establish and publish the schedule of times for the initiation/completion of the basic steps in the review and evaluation of professional staff eligible for multi-year appointment or reappointment contracts. Such schedule shall not violate any provision of the Agreement.

Eligible professional staff members must be notified by the President no later than February 1 in their fifth year of service of their reappointment or nonreappointment to a contract of three (3) fiscal years in length.

G. Promotion

A professional staff member serving under a multi-year contract who is promoted in title shall, at minimum, serve one year in his or her new position before becoming eligible for consideration of a multi-year contract in that new position.

Professional Staff employees serving in multi-year contracts who are promoted will be considered for renewal of such multi-year contracts in their old positions if they come up for evaluation for renewal of such contracts during the one-year probationary period in their new position. The College/University will consider both performance in the old position and performance in the new position in determining whether a renewal will be granted. At the end of the probationary period in the new position, a new multi-year contract shall be issued to successful probationers in the new position of length equal to the time remaining in the current multi-year contract.

ARTICLE II: REASSIGNMENTS

Professional staff members serving under a multi-year contract may be assigned by the President to any professional position within their areas of competence and qualifications during the term of the contract, but their salaries may not be reduced during the duration of the contract below that which they would have received had they continued in their original position, and they may be dismissed from the College/University during the term of the contract only for cause consistent with appropriate statutory provisions.

APPENDIX II

**CAREER DEVELOPMENT PROGRAM
FOR ALL FULL-TIME EMPLOYEES**

PREAMBLE

During the term of this Agreement, Appendix II will remain in the contract as a guideline, if no local procedures exist.

Career Development is intended to enhance the natural dedication of individual faculty members and librarians to pursue a vigorous program of continuing professional development subsequent to the probationary period at the College/University. It is structured to aid employees in the development of a positive program of professional growth and career development. So that faculty, librarians and professional staff are fully cognizant of the immediate and longer range institutional, school and department goals and areas of high programmatic need and growth potential, the administration of each College/University will make these known.

Every five years, the individual tenured faculty member/librarian shall engage in an in-depth self-study to determine the manner in which he/she may best advance his/her own professional growth. Participation in this program will not only yield great personal reward but will also serve to satisfy the requirements of N.J.S.A. 18A:60-10. Additionally, participation will secure priority access to funds negotiated for this purpose, as well as any other institutional funds that may be made available. It is further recognized by the parties that a program of genuine career development for the improvement of instruction should be positive in nature and is best achieved in an atmosphere of

trust and cooperation.

The career development program is not intended to constitute a replacement for or waiver of rights of any individual accruing under Title 18A of the Revised New Jersey Statutes. No personnel actions involving punitive procedures shall be based on or in any way use the results of the evaluations for the career development program. The employer shall not be prevented from following up leads developed in the career development evaluation process.

ARTICLE I: ASSESSMENT COMMITTEES

A. The primary responsibilities of the Assessment Committees (AC) shall be the assessment of the individual's professional growth, contributions to the College/ University, teaching effectiveness and the identification of any area(s) for improvement.

B. The AC may be the personnel committee of each department or other appropriate academic unit, which constitutes the first level of consideration in the personnel process currently in force at each College/University. Only tenured faculty may serve on ACs.

C. Assessments shall be based on the following:

1. The Individual Faculty Member Self-Study. On a five-year cycle, the faculty member/librarian will engage in a thorough and in-depth process of self-reflection. The format for the presentation of the results of the process of self reflection should at a minimum include:

- a. An assessment of his/her contributions including contributions to the direction/mission of the department, school and College/University over the last five years and his/her intentions for future contributions;
- b. An assessment of his/her teaching effectiveness;
- c. A statement of his/her own professional objectives and how they might best be achieved;
- d. An assessment of professional strengths and/or areas for improvement;
- e. What career development assistance is needed.

2. Peer Assessment. If classroom observations are utilized in the assessment process at a College/University, there shall be provision for advance notice of the observation, and a post-evaluation conference. The employee shall have the opportunity to respond to the report of the classroom observation.

3. Student Input. Assessment of teaching effectiveness may also include student input obtained by means of a formal process. The AC shall have access to such data. All student data shall be collected in a regular and systematic fashion and in writing consistent with existing College/University policy and procedures.

D. Consultation

1. Prior to preparing its report, the AC shall meet with the individual to discuss the assessment. At this meeting the AC may solicit from the individual such additional evidence, information and material as may be deemed relevant and necessary to the AC's deliberations.

2. The AC shall prepare a final report summarizing its findings including recommendations for resources needed for career development and to address any areas for improvement. This report shall be submitted to the individual being assessed. Within five (5) calendar days after the transmission of the report, the individual who is the subject of the report may present a written request to the AC to reconsider its recommendations. In the request, the individual shall state the specific reasons why he or she feels that the recommendation is inappropriate. If the AC grants the individual's request for reconsideration, it will expedite the reconsideration process so as to allow for the overall completion of the assessment process in a timely fashion. The AC shall forward the final report and all supporting documentation to the President or designee thereof with a copy to the individual.

E. The AC report shall be comprehensive and shall include:

1. A review of the individual's professional growth, professional performance and contributions, including

contributions to the department and College/ University, primarily during the preceding five (5) years, and the individual's intentions for future professional growth and contributions.

2. An identification of the individual's strengths and teaching effectiveness and identification of areas for improvement, if any.

3. In addition, the AC may prepare a recommended plan for career development tailored to the individual's needs utilizing the resources available at the College/ University under the Career Development Program. In the event the AC intends to prepare such a recommendation, the AC shall consult with the individual.

F. The individual may forward to the President or his or her designee a written response to the AC report. Any response shall be attached to the report.

ARTICLE II: PROFESSIONAL STAFF ASSESSMENT COMMITTEE

A. A Professional Staff Assessment Committee (PSAC) shall be established at each College/University. The composition of the PSAC shall be determined through discussion between the College/University and the Local UNION.

B. In the event that a member of the professional staff has been granted a multi-year appointment contract, and for whom the President has identified areas in which career development is appropriate, the President shall send a written report specifically describing them to the PSAC, which will then undertake the review described below.

C. The primary responsibility of the PSAC shall be the review of career development needs of members of the professional staff who have been granted multi-year appointment contracts, and for whom the President has identified areas in which career development is appropriate. The PSAC will first submit its written recommendation to the employee. Within five (5) calendar days after the transmission of the report, the individual who is the subject of the report may present a written request to the PSAC to reconsider its recommendation. In the request the individual shall state the specific reasons why he or she feels the recommendation is inappropriate. If the PSAC grants the individual's request for reconsideration, it will expedite the reconsideration process so as to allow for the overall completion of the assessment process in a timely fashion. The PSAC shall transmit a written recommendation including all supporting documentation to the Career Development Committee, with a copy to the College/University President and to the employee, as to the specific career development needs of each member of the professional staff who has been the subject of a review.

D. Prior to preparing its report to the CDC, the PSAC shall meet with the individual to discuss his or her career development needs and to solicit from the individual such additional evidence, information and material as may be deemed relevant and necessary to the PSAC's deliberations.

ARTICLE III: PRESIDENTIAL/DESIGNEE REVIEW

Should the President/designee disagree with any aspect of the AC's report and recommendations, he or she shall confer with the individual and the AC. The President/designee shall then prepare a written statement setting forth the relevant areas of disagreement and the specific grounds therefor. If there are no disagreements, the President/designee shall so state. The President/designee need not respond to any recommended career development program at this point in the process.

The estimates shall include direct costs but shall not include indirect cost such as, but not limited to, the maintenance of College/ University facilities, which may be utilized or heating, lighting or air conditioning.

E. The CDC shall, whenever necessary, consult with Assessment Committees, and individual candidates and applicants concerning their recommendations.

In addition, the CDC shall notify each candidate for assistance in writing of its recommendations concerning that candidate. Copies of all the above material shall be forwarded to the President, together with copies of all materials on which the CDC's report is based. The Local UNION shall receive a copy of the annual report and copies of all relevant materials on which the CDC report is based.

All materials generated in the career development assessment process shall be placed in the individual's personnel file.

ARTICLE VII: FAIR AND EQUITABLE APPLICATION OF PROCEDURES

The procedures for conducting the career development assessment and the assignment of career development resources shall be fairly and equitably applied to all employees. Violations shall be grievable under Article VII.B.1 of the Agreement. If an arbitrator determines that a violation has occurred, the remedy shall be to remand the matter to the appropriate level for reconsideration; however, in the alternative, where the arbitrator determines that a violation has occurred, he/she may set aside the assessment and direct that the career development assessment be repeated in its entirety *de novo*. If the latter remedy is prescribed, the employee shall be considered as part of the next group coming up for assessment, and the records concerning the original assessment shall not be included in the individual's personnel file.

ARTICLE VIII: GENERAL CAREER DEVELOPMENT ASSISTANCE PROGRAM

The general Career Development Assistance Program shall include the following:

A. Tuition Reimbursement

b. CD Leaves exceeding one-half (½) year in duration shall be at the rate of half (½) salary or at the rate of the employee's salary less \$7,552, whichever is greater. No employee shall receive a rate of less than \$12,594.

3. The provisions of Article XXVII.B.4 through 7 of the Agreement shall apply to CD Leaves.

4. In the latter case, the per-teaching-credit cost shall be computed by dividing the annual salary rate by 24.

ARTICLE IX: SUPPLEMENTAL FUNDING

Nothing in this Appendix shall be construed as preventing a College/University from supplementing the specific funds available under Article XXI, Subparagraph G where, in the judgment of the College/University, such supplementation would be appropriate; nor shall anything in this Appendix be construed as prohibiting any College/University from exercising its managerial or academic judgment in regard to the utilization of monies or other resources not specifically committed to the funding or support of the Career Development Program outlined in this Appendix.

A. The STATE agrees to assume upon retirement the full cost of the Health Benefits coverage for State employees and their dependents including the cost of charges under Part B of the Federal Medicare Program for eligible employees and their spouses, but not including survivors, for employees who accrue 25 years of pension credit service, as provided under the State plan, by July 1, 1997, and those employees who retire for disability on the basis of fewer years of pension credit in the State plan by July 1, 1997.

B. Those employees who accrue 25 years of pension credit service or retire on a disability retirement during the period from July 1, 1997 through June 30, 2000 are eligible to receive the following when they retire:

1. Employees in this group who elect to enroll in the Managed Care/Point of Service (NJ PLUS), which shall be succeeded by the PPO described in Article XIX (of the parties July 1, 2007 to June 30, 2011 collective negotiations agreement) or any of the approved HMO Plans shall not have to contribute to the cost of any premium for health insurance coverage.

2. Employees in this group who elect to enroll in the Traditional Plan or after that plan is no longer available on or about April 1, 2008 in the successor plan and earn \$40,000 or more in base salary in the year they retire shall pay the difference between the cost of the Traditional Plan or after that plan is no longer available on or about April 1, 2008 the successor plan and the average of the cost to the State of the Managed Care/Point of Service (NJ PLUS) and the approved HMO Plans for health insurance coverage.

Pursuant to P.L. 2011,

It is agreed by and between the STATE and the UNION that notwithstanding the provision of Article XII (Faculty Responsibilities) which sets forth the basic academic year teaching load and teaching credit hours, if a State College or University determines that it is in the best interests of the College or University, the students it serves and/or certain academic programs to schedule the twenty-four (24) teaching credit hours and the thirty-two (32) weeks of instruction for a particular faculty member or members over a period other than between September 1 and June 30, the College or University shall negotiate with the Local UNION a procedure for changing the twenty-four (24) teaching credit hours and the thirty-two (32) weeks of instruction to a period other than between September 1 and June 30. If a local procedure is negotiated and a faculty member performs his or her responsibilities over such a period, the faculty member shall not suffer any penalty as a result of such election, including but not limited to the right to receive pension and health benefits as if he or she worked between September 1 and June 30. Participation in an alternate period program shall be on a voluntary basis only.

LETTER OF AGREEMENT XIV

A. Definitions

The title of “Non-Tenured Track Teaching Position (hereinafter referred to as NTTP) encompasses all existing titles of Lecturer, Senior Lecturer, Clinical Specialist, Instructional Specialist and any other non-tenured track teaching position created by a College/University, if appropriate.

B. Limitations

The total number of NTTPs appointed shall not exceed thirty five percent (35%) of the regular tenure-track faculty lines at a College/University. Each College/University shall furnish the UNION with a list of any negotiations unit members appointed pursuant to this Letter of Agreement no later than October 15 of each academic year.

As of July 1, 2019, institutions where the total number of NTTPs exceed thirty five percent (35%) of the regular tenure-track faculty lines shall not be required to reduce the number of NTTP faculty. However, no new NTTP appointments

shall be made until existing NTTP falls below the thirty five percent (35%) limit.

C. Compensation for NTTPs

1. For ten (10) month NTTPs: the minimum salary shall be no less than \$50,000.00. This minimum salary will not apply to any NTTP currently working under an individual contract.
2. For twelve (12) month NTTPs: the minimum salary shall be no less than \$57,000.00. This minimum salary will not apply to any NTTP currently working under an individual contract.
3. During the term of the collective negotiations agreement, in the event that an NTTP is, on or after July 1, 2020, retained on a multi-year contract or is rehired for the immediately succeeding year (either on a single-year or multi-year contract), the NTTP shall receive the across-the-board increase for applicable fiscal year(s).

a. NTTPs currently working under a multi-year individual contract will receive the two (2) percent across-the-board salary increase on July 1, 2020, but the minimum salaries will not apply to them until their individual contract term has expired.

b. Effective July 1, 2020, NTTPs who are rehired for the immediately succeeding year (either on a single-year or multi-year contract) and who are not making the minimum salary will receive the two (2) percent across-the-board salary increase or have their salary raised to the minimum salary, whichever is greater.

c. The across-the-board increase will not be stacked with any locally negotiated increase or any increase provided for under an individual contract (including, but not limited to, steps and/or COLA increases). In such circumstances, the NTTP shall be entitled to the greater of the across-the-board increase provided for herein or any locally negotiated increase/increase under his or her individual contract.

4. Nothing herein shall limit a College/University from employing NTTP for any other duration (e.g., nine (9) month NTTP positions), except that pro-rated salaries shall be based on a ten (10) month annual salary.

5. Except as specifically set forth herein, this Letter of Agreement shall not apply to any NTTP who is already working under an existing individual contract.

D. The following Articles of the State-Union Agreement shall apply to NTTPs so long as the individual NTTP meets all eligibility requirements under each enumerated provision:

Article V-Academic Freedom

Article VI-Dues Deduction

Article XIX- Health Benefits

Article XXIII-Travel Reimbursement, when travel is required by the College/University

Article XXIV-Sick Leave A & C

Article XXV-Holidays*

E. The STATE and the UNION agree that the provisions of this Letter of Agreement shall apply equally to all negotiations unit members employed as NTTP. The STATE and the UNION agree that there shall be no intimidation, interference or discrimination because of age, sex, sexual orientation, marital status, familial status, race, color, creed, national origin, disability, physical handicap, or political activity, private conduct or union activity, which is permissible under law and which does not interfere with an NTTP employee's employment obligation or because of their liability for service in the Armed Forces of the United States.

F. Local Agreements

Subject to the parameters set forth herein, all terms and conditions of employment regarding NTTPs shall be locally negotiated in accordance with the New Jersey Employer-Employee Relations Act and its governing regulations, provided that (a) no College/University shall impose any negotiable terms or conditions of

**APPENDIX V
HEALTHCARE REOPENER**

- a. The actual premium cost for the new PPO plans, inclusive of medical and prescription costs, will be tracked each plan year following the plan's initial offering in plan year 2019.
- b. In addition, the new PPO premium cost increases will be monitored and compared to the national, regional and state trending of healthcare costs.
- c. Calculations:
 - i. If the projected blended premium for the new PPO in a plan year exceeds the "Baseline Premium", the Union and the State shall enter into negotiations to lower the premium and/or reduce the rate of premium increases. Such negotiations will commence upon receipt of the SHBP actuary's rate renewal recommendation premium for the upcoming plan year, in or about the preceding July.
 - ii. The Union and the State shall also calculate the "Adjusted Premium Increase" ("API"). The API shall be calculated by (a) subtracting the aggregate percent of across-the-board salary increases received by represented State employees covered by this contract, not compounded, from (b) the percent by which the 2019 PPO premium exceeds the Preliminary Baseline Premium.
 - iii. Commencing in Plan Year 2019, the preliminary baseline premium rates shall be the following blended premiums – Single coverage - \$9570; Parent/Child coverage - \$19,140; Employee/Spouse - \$17,800; and Family \$27,370 – plus 3% ("Preliminary Baseline Premium").
- d. Plan Year 2021:
 - i. If the projected blended premium for the new PPO plans in plan year 2021 exceeds the Preliminary Baseline Premium from plan year 2019, the Union and the State shall enter into negotiations to address such premium increases.
 - ii. The API for Plan Year 2021 shall be calculated by (a) subtracting the aggregate percent of across-the-board salary increases received by represented State employees covered by this contract, between July 1, 2019 and December 31, 2020, not compounded, from (b) the percent by which the new PPO premium exceeds the Preliminary Baseline Premium. For example, if the 2021 PPO premium is 8% more than the Preliminary Baseline Premium and if employees have received an aggregate of 6%, non-compounded, across-the-board salary increases since July 1, 2019, the API is 2%.
 - iii. If the Union and the State cannot agree upon plan design changes or other cost-saving measures that would reduce the API to at least a 0% increase over the Preliminary Baseline Premium by the September 1 preceding the start of the 2021 plan year, then an Escalator shall be applied to employee contribution rates. The Escalator to be applied to employee contribution rates shall be the percentage by which the API exceeds the Preliminary Baseline Premium. For example, if the API is 2%, then the Escalator is also 2%, which is applied to the employee's contribution rate. If an employee's contribution rate is 5% of base salary, then by applying the Escalator, the contribution rate will increase to 5.1% of base salary. Any increase in employee contributions will be effective the first pay period of the 2021 plan year.
 - iv. If the 2021 premium is below the Preliminary Baseline Premium by 6% or more, the Union and the State shall discuss options to share the savings in reduced costs or to improve the quality of the new PPO plans through design changes or other measures. If the Union and the State do not agree to either reduce costs or improve the quality of the new PPO plans or agree upon a reduction in the employee contribution rates by September 1 preceding the start of the plan year then contribution rates shall be reduced by the application of a De-escalator. The De-escalator shall be the amount of the decrease in the new PPO 2020 premium below 6% of the Preliminary Baseline Premium. For example, if the 2021

premium is 6.5% below the Preliminary Baseline Premium, employee contribution rates shall be reduced by 0.5%. If an employee's contribution rate is 5% of base salary, then by applying the De-escalator the employee's new contribution rate shall be 4.975%. Any decrease in employee contributions will be effective the first pay period of the 2021 plan year.

e. Plan Year 2022:

- i. **The Baseline Premium for 2022 plan year shall be** the baseline premium is the PPO Plan's premium cost in plan year **2021 plus 1%**.
- ii. If the projected blended premium for the PPO in plan year **2022** exceeds the new Baseline Premium, the Union and the State shall enter into negotiations to address such premium increases.
- iii. The API shall be calculated by (a) subtracting the aggregate percent of across-the-board salary increases received by represented State employees covered by this contract, **between July 1, 2021 and December 31, 2021**, not compounded, from (b) the percent by which the PPO premium exceeds the 2022 Baseline Premium.
- iv. If the Union and the State cannot agree upon plan design changes or other cost-saving measures that would reduce the API to at least a 0% increase over the Preliminary Baseline Premium by the September 1 preceding the start of the **2022** plan year, then an Escalator shall be applied to employee contribution rates. The Escalator to be applied to employee contribution rates shall be the percentage by which the API exceeds the Preliminary Baseline Premium. Any increase in employee contributions will be effective the first pay period of the **2022** plan year.
- v. Each subsequent plan year's PPO Plan's premium cost will be compared with previous year's PPO Plan's premium cost which will become the new Baseline Premium. The same process and methodology shall be used to review, and if necessary adjust, employee contributions rates, every year thereafter.
