WELLNESS DAY

Just a reminder that Monday, April 5th is Wellness Day. All students, faculty and staff are encouraged to use their work and study time to focus on personal health and wellness throughout the day. Classes will not be held in a traditional matter.

Students are encouraged to use this time for activities to boost mental and physical wellness — through meditation, yoga classes, exercise, outdoor activities or quiet reading. Both faculty and students should use the day to engage in activities that reduce stress and promote well-being.

Virtual Yoga

Virtual Community Yoga is available free to the community every Wednesday from 3:15pm - 4pm through May 5th via Zoom. All students and faculty have the opportunity to practice with members of the Yoga faculty at both Union and Ocean and students from the program. The class is open to all levels and a great way to relieve some stress and connect with the Kean community!
