- GEHU Humanities
- GESS Social Sciences
- GESM Science and Mathematics
- GEHPE Health and Physical Education
- GECP Approved GE Concentration Pairs:

GE Concentration Sequences

A concentration is a two-course sequence in the Liberal Arts and Sciences that builds upon an introductory GE Distribution course. Three different options for satisfying the concentration exist: (1) two courses in the same discipline at the 2000 level or above; (2) two courses from different disciplines at the 2000 level or above that cover a similar topic or theme (students taking this second option must obtain approval from the GE office prior to registration); (3) a pre-approved pair of courses at the 1000 level or above that is published in the University Bulletin under GECP Distribution courses.

Major / GE Capstone Course

A capstone course is a major course that satisfies three credits of GE requirements. Each major guide sheet will count three credits for the capstone as either GE credits or major credits, but not both.
