GLOBAL STUDIES - B.A.

Center for Interdisciplinary Studies

Global Studies is an interdisciplinary program that invites students to reach across disciplines and learn from a wide array of knowledge and methods to be prepared for a global world. It requires the successful completion of seven core and advanced courses, a concentration in a global issue or geographic region, and a guided research capstone project. Students are encouraged to take a foreign language, to study abroad, and to incorporate an internship into their program.

A degree in Global Studies prepares graduates for careers in government, nonprofit and non-governmental organizations, philanthropic agencies, international business and communication, or market analysis research. It is also excellent preparation for graduate study in the humanities, social sciences, global affairs, law, public health, and communications.

120 hours (minimum)

Students earning a Bachelor of Arts (BA) degree must complete a minimum of 39 hours at the 3000+ level. These hours are generally fulfilled by the major requirements but keep this in mind when choosing courses. A 2.0 GPA is the minimum requirement.
