

**KEAN UNIVERSITY  
FOUR YEAR ACADEMIC PLAN**

**BACHELOR OF SCIENCE IN CLS/JOINT with RUTGERS Cytotechnology (70400)  
(B.S. Clinical Laboratory Science/Joint w Rutgers Cytotechnology 128 S.H.) Effective 09/17**

Program Notes:

- This major requires a minimal cumulative GPA of 2.85 for Kean University and for application to senior year clinical preceptorship at an affiliate clinical laboratory program.
- Actual course sequence will vary by student/program and is based upon course availability.
- Some advanced courses in the major are offered only on a rotating basis and may vary by term offered.
- Major elective & free electives and their availability vary according to registration demand and faculty availability. Selections are approved thru the advisement process.
- Individual time to student's completion of graduation requirements will vary according to scores on admission placement testing and successful completion of prerequisites. This four year plan assumes placement into MATH 1054 & ENG 1030 at time of entry into Kean. It is for guidance purposes only.
- The semesters shown are Fall/Spring only. Some students may opt for intersession and/or summer. The clinical program at Rutgers starts during the summer.
- The deadline for applying for clinical preceptor ship is October 1 before starting the summer or fall of the next year. Applications require sealed transcripts from all colleges and universities.
