CAMPUS SECURITY AUTHORITY CRIME STATISTICS REPORT FORM

Federal Law, 20U.S.C. 1092(f) specifically the “Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act”, requires the University to prepare an annual security report that contains information about specific crime statistics. As defined by the Clery Act a “campus security authority” that is aware of any of the designated crimes that were not reported to the University Police Department must forward that information to the Police Department. The crimes that must be collected are defined on page two of the form. Use these definitions to assist you in determining if you must submit the incident information to the Police Department. **DO NOT** classify the information by type of crime incident, simply describe the incident using the definitions as a guide. The Police Department will classify the report once received and reviewed. If you are unsure if the incident meets one of the crimes classification definitions please feel free to call the Police Department, or complete this form and the Police Department will determine if the incident is required.
