

# ELIZABETH RIVER CLEAN UP

During Earth week The Earth Science Club will be having the River Clean Up as an event to restore the natural environment of the campus specifically cleaning the Elizabeth River that flows throughout East Campus. Kean volunteers will be able to participate to bring back the natural flow of water and the health of the local ecosystem by picking up recyclables and garbage therefore disposing them properly.

Bring Rain Boots\*\*

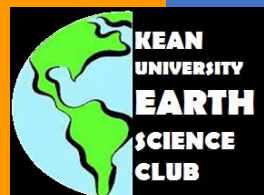

Volunteer hours will be given\*\*

Thursday April 18, 2019

10:00am – 2:00pm

Location:

Soccer Fields at East Campus

FUNDED BY:
