The Earth Science Club proudly
presents a Dr. Seuss film **The Lorax**

Join us start Earth Week in a fun way by watching a
film that sets the theme of being more interactive
with our environment and how we can be part of a big
role in protecting it and preserving it while also
feeling good about it and sharing the joy of it.

Monday April 15, 2019

3:00pm – 4:30pm
