

The Raptor Trust

During Earth Week as one of the special events the Earth Science Club will host the Raptor Trust to present a LIVE event with actual raptors or in other words the birds of prey and as well teach us how to support them in rescuing and protecting them in our local town and cities from threats that can endanger their survival in the wild.

Wednesday April 17, 2019

2:00pm – 3:30pm

Hutchinson Hall J-100

John H. Omara Auditorium

THE RAPTOR TRUST
