

Distance Learning Committee Charges:

1. The Distance Learning Committee will participate in the approval process for Distance Learning course curriculum designations in accordance with curriculum procedure.
2. The Distance Learning Committee will examine the current technology used to support Online Learning in all its forms at Kean University and make recommendations for its improvement and future technology decisions.
3. The Distance Learning Committee will propose, monitor, and evaluate the Online and Hybrid Course Development process.
4. The Distance Learning Committee will make recommendations that help to ensure that online and hybrid courses maintain Academic Integrity.
5. The Distance Learning Committee will assist in designing the online and hybrid course standards that follow Quality Matters guidelines.
6. The Distance Learning Committee will propose best instructional practices in online and hybrid courses.
7. The Distance Learning Committee will assist in assessing the delivery of online and hybrid courses and programs.
8. The Distance Learning Committee will provide timely ongoing advice and direction to Kean Global and the Center for Teaching Excellence that will lead to the development of critical documents; the provision, assessment and expansion of services to faculty and students; and to ensure compliance with Middle States requirements for Distance Education programs.
