### **Undergraduate Degree Offered:**

Bachelor of Arts in Elementary Education K-6 and 5-8/TSD

### **Program Descriptions:**

Students enrolled in the Elementary Education K-6 and 5-8/TSD program gain the knowledge, skills and values necessary to effectively teach children in a multicultural, inclusive school environment. This multi-certification program provides graduates with a K-6 initial teacher certification, a middle school endorsement in Math, Science, Social Studies, Language Arts or Spanish, and a Teacher of Students with Disabilities.

### **Middle School Subjects:**

- Biology
- Chemistry
- Earth Science
- English Standard Literature
- English Writing
- History
- Mathematics
- Spanish

### **Additional certification requirements:**

All teacher candidates are required to complete a Teacher Performance Assessment (formerly edTPA, currently KEEP) prior to program completion. Kean Educator Evaluation of Performance (KEEP) is completed during Senior Seminar in Clinical Practice (Capstone), while concurrently enrolled in Clinical Practice II (full-time student-teaching).

Please visit the [Office of Teacher Certification and Alternate Route Programs](#) for information on obtaining teacher certification through the NJ Department of Education.
