Philanthropy, Religion and Immigration Travelearn

This course will examine the influence of religion on the development of philanthropy from early ancient understandings, Greek influences, Judeo-Christian and Islamic traditions through the twenty-first century. Students will also be encouraged to examine and discern the ultimate purposes of philanthropy in our daily lives. Travel through France to explore firsthand the influence of religion on the practice of philanthropy and charity in various communities.

Dr. Roseanna Mirabella (rmirabel@kean.edu)
