MIGRATION
COHORT C:
COLLEGE OF LIBERAL ARTS MAJORS

You are joining a learning community that will focus on the journey of migration. Migration is the movement and flow of people from one location to another. We will incorporate the concepts of migration into our shared courses. We will explore issues on migration through shared readings and experiences. We will travel to a refugee resettlement program in Jersey City, New Jersey and explore the freshmen Common Read book *How Beautiful We Were* to understand interdisciplinary approaches to migration. These shared courses will help all students develop inquiring minds and become multiliterate citizens.
