June 2021 Student Newsletter

Hello Kean Ocean Students,

We hope you had a great end to the spring semester and are looking forward to a happy and healthy summer!

RETURN TO CAMPUS

Our goal is to return all classes to the Toms River campus, for the Fall 2021 semester. We will keep you apprised of any limitations as they arise. The Southern Education Center (SEC) building in Manahawkin will remain closed for the Fall 2021 Semester.

REGISTRATION FOR FALL 2021

Please reach out to your academic advisor if you still need to register for Fall classes. If you are unsure who your advisor is, you can find them [here](#) listed by program.

It is important that you remain on track for graduation, we are here to assist.

Please be mindful when you register, full time flat rate tuition is the same for any number of credits between 12-19. If you have any questions, please consult with your advisor or e-mail KeanOCC@Kean.edu.

The number of credits for which you register can also impact financial aid. If you have any financial aid, please reach out to finaid@kean.edu.

KO PROGRAMS

Please remember to refer to our [website](#) for the latest Kean Ocean articulation sheets for all programs. We are regularly re-evaluating our program options and have new majors, minors, and graduate programs available. Discuss potential minors with your academic adviser.

COVID-19 VACCINATION REQUIREMENTS FOR STUDENTS

On-site students are required to provide confirmation of their COVID-19 vaccination, or file an exemption request for medical or religious reasons, in order to return for classes in Fall 2021. Students may upload their vaccination information or exemption request through the [Health Services Patient Portal](#) beginning June 1st.

OCC is operating as a drive-through vaccination site. Appointments are requested and preferred, but walk-ins are welcome. Check ochd.org for more information and to make your appointment. Additional information regarding the safety and efficacy of the vaccine can be found at [#VaxUpKean](#).
