

K.E.A. Network in the KNow

A Monthly Newsletter for Keanetwork Members
November - 2023

Registration for Spring Opens Soon!

Be the First in Line to make next year at Kean the best yet!

Hello to all our **KEANetwork** Partners and Students! This is just a quick reminder that **Priority Registration begins on October 31st** and continues up until classes start on January 16th. It's a college fact that registering early guarantees you get the classes you need and saves you from the stress of finding a schedule at the last minute. Just follow this link for all the Registration Deadlines and Instructions - <https://www.kean.edu/offices/registrar-office/registration-information> And remember **KEANetwork** students, once you're registered, reach out to us at keanetwork@kean.edu so we can make sure your Tuition Discount is added for the Spring. Best of luck with everything and we'll see you all back here next year!

Make the connection between
YOUR COURSES
and
YOUR FUTURE

EVENTS

Exciting New Events this November!

Kean has an exciting November planned, both on and off campus. Here are just a few of the ways you can connect with all Kean has to offer.

First, Kean will be participating in two Conventions in Atlantic City this November. On the **9th and the 10th** we'll be part of the annual **NJEA Convention** at the AC Convention Center. Then, we'll turn around and come right back for the famous **NJLM Convention** the following week from the **14th to the 16th**. If you happen to attend either one, make sure to stop by the Kean booth for a "**KEANetwork Student**" special gift!

Second, we'd like to introduce some of the new additions to our Kean Leadership Team. Several Deans have started a Kean recently and their enthusiasm about the direction Kean's taking is inspiring. Learn more about them here - **Meet the Deans**

And, finally, we'd like to connect you with all the amazing things happening on campus this month. Like the Ghost Tours or Kid Friendly events at the historic Liberty Hall Museum - <https://libertyhall.kean.edu/> Or all the shows, concerts, sporting events, and exhibitions that Kean students attend every day. There's always more to see at Kean. Just follow the link to be a part of it - <https://www.kean.edu/events>

We're Thankful that you're part of the Kean Family

Every year at this time we all gather together and give thanks for what we have and what's come to us in the year gone by. This year, everyone here at the **KEANetwork** is thankful for you - our **KEANetwork** Partners and Students. The **KEANetwork** allows us to build even stronger bonds with all the businesses and organizations that are part of the Network, creating educational partnerships that will last. And for our students, what started off as a discount becomes a life changing legacy as they can proudly call themselves **Kean University Alumni**. From everyone here at the **KEANetwork** <https://www.kean.edu/network> and all the members **Career Services** <https://www.kean.edu/career-services> we want to wish you the best of luck and we hope you have a great Thanksgiving holiday.

Happy
Thanksgiving!
