KEAN UNIVERSITY
BEHAVIORAL INTERVENTION TEAM (KUBIT)

UPDATED JULY 2023
The Kean University Behavioral Intervention Team (KUBIT) is a multidisciplinary team that provides proactive intervention, caring support and appropriate institutional response to students exhibiting disruptive and/or concerning behavior. Maintaining a safe and vibrant community for all Kean University students, faculty and staff is our top priority.

In case of an emergency or immediate danger to yourself, others or the community, please DIAL 911 or call the Kean University Department of Public Safety and Police at (908) 737-4800.
RECOGNIZE
WARNING SIGNS OF STUDENT DISTRESS

Student distress may show up in behavior or in the reaction the behavior elicits in others. These signs include (but are not limited to):

- Alcohol or drug abuse
- Any pattern of bizarre thoughts or odd behaviors that may pose a threat to safety
- Behavioral/emotional changes or withdrawal
- Change in hygiene or appearance
- Decline in academic performance
- Erratic behavior (including online activities) that is disruptive to the normal proceedings of University students, faculty or staff
- Excessive or inappropriate anger
- Involuntary transport to the hospital for substance use/abuse or mental health issues
- Statements about having a weapon on campus or threats about harming others
- Suicidal actions (written or verbal references) or self-injury

Sometimes it's not wise to confront someone directly and KUBIT is here to help. Your referral truly matters and could save lives.
REFER
REASONS FOR MAKING A KUBIT REFERRAL

Asking for help is one of the hardest things for students in distress to do. When you make a KUBIT referral, trust it’s for the greater good.

The circumstances for making a referral may include the following:

• The problem is more serious than you can handle
• The student admits there is a problem but doesn’t want to talk to you about it
• The student asks for information or assistance that you cannot provide
• You are alarmed or frightened
• You are concerned about the student’s ability to function
• You feel uneasy about the student’s comments or actions
• You spoke with the student and you feel he or she may need more assistance
How to Make a Referral

In non-emergency situations, please make a referral online at kean.edu/kubit, use the QR code or call us at (908) 737-5260.

We will ask you for basic information about the student and the incident or behaviors involved. We also request your contact information for follow-up questions, but we do not disclose this information to anyone.

What Happens After I Make a Referral?

When you make a referral, the KUBIT team reaches out to the student. The student is offered the support and assistance he or she needs. Depending on the situation and after careful review, additional University or community-based referrals may occur.

Family Educational Rights and Privacy Act (FERPA)

FERPA protects the privacy of educational records, but it does not prohibit the reporting of observable behavior. It is not a violation of a student’s rights or privacy to make a referral based on your observations and concerns.
