Dear Students:

As you may be aware, edTPA is the New Jersey Department of Education's required Teacher Performance Assessment.

Beginning in the Spring 2019 semester, the \$300.00 assessment fee that is required for the submission of scores to Pearson will now be included as part of your tuition and fees. Please understand that Kean University will receive no percentage of this fee, as Pearson will receive the entire sum.

Please note that once you have remitted payment for your tuition and fees, you no longer have to be concerned about the edTPA fee.

It is my hope that this new policy will ease your financial burden and make it easier for you to move forward to complete your professional training.

Thank you for your attention to this information, and should you have any questions, feel free to contact Dr. Sehba Mahmood, edTPA Coordinator, at (908) 737-3856.

Best regards,

Anthony A. Pittman, Ph.D.,
