

METALSMITH STUDENT LEAGUE EXHIBITION

Nancy Dryfoos Gallery

June 28 - July 31, 2012

Reception: Thursday, June 28, 2012 from 4 - 8 pm.

The Kean University Metalsmith Student League is an organization that aims to foster a sense of community among students studying jewelry, metals and related areas. Through our activities we hope to build upon course work and broaden members' awareness of metalsmithing and jewelry-making techniques and materials.
