Taken from: College Survival, by Greg Gottesman. Prentice Hall Pub: New York (1991)

■ This is a checklist of items you may need while residing at the University. Due to the pandemic we highly encourage students to bring only necessary items on campus. If you live close to campus, only bring wardrobe that you will need for the season. Some items may not apply to you, but make sure to include those that do. We suggest talking with your suitemates, first to determine who may be bringing certain items. This list is not all inclusive.

■ Protect the Things You Bring to Kean University.

■ Because Kean University does not provide personal property insurance, it is recommended that students determine if they are covered under their parent's renters/homeowner's insurance policy or obtain a separate personal property insurance policy to protect their personal property such as stereos, cameras, calculators, personal computers, books and furniture.
