EMPLOYEE SELF-EVALUATION

Once the evaluation has been launched by Human Resources, a Self-Evaluation task will appear in the employee’s Workday inbox.

*Evaluations will be launched for all managers. Evaluations for should be completed for performance tracking purposes. Eligibility for compensation increases affiliated with the evaluation will be determined outside of the system.

**Managers who are on leave at the time evaluations are launched will have their evaluation in their Workday inbox awaiting action upon their return. Human Resources will work with employees who are on leave and their managers to ensure that evaluation expectations are met given each specific circumstance.
Upon opening the task, the employee will be prompted with two view options: Guided Editor or Summary Editor.

FOR EMPLOYEES:
Please complete the Self-Evaluation by choosing the rating that you believe best fits your managerial performance in each category listed below. Please note that this section is intended for self-reflection and advisement purposes only and will be shared with your supervisor as the full evaluation process is completed.

FOR SUPERVISORS:
Please select the rating that you deem is most appropriate for the managerial employee's performance in each of the following categories. Please include comments for your ratings in the summary box at the end of each section.

Note: Managers are at-will employees and the Performance Evaluation does not constitute a contract for continued employment. Rather the evaluation should be utilized for tracking & improving performance.
The Guided Editor view allows the system to guide the user through the evaluation. Each section will be broken out onto a separate screen for a step-by-step experience as the user moves through each task. When the user has completed all sections, they will be able to review in full prior to submission.

If at any point you want to exit Summary view and return to Guided view, you can click on the “Guide Me” button at the top of the screen.
If the user initiates the evaluation task, and then exits the screen and returns to their Workday Inbox later, they will be prompted with the option to continue where they left off upon their return. A view of these options appears below.

If you have sufficiently completed the self-evaluation, you may click Submit to route it to your immediate managerial supervisor.

EMPLOYEE ACKNOWLEDGEMENT
[“PROVIDE EMPLOYEE REVIEW COMMENTS” STEP]

After the evaluation has been conducted by the immediate managerial supervisor and flowed through the approval chain, the evaluation will route back to the supervisor for delivery. The supervisor should meet with the employee to review and discuss the evaluation so that both users can complete their required acknowledgements.

Once the immediate supervisor has submitted their acknowledgment, the employee will receive an inbox item to review and acknowledge their evaluation within the system. This step is referred to as “Provide Employee Review Comments.” The user will be able to choose to acknowledge the evaluation with or without comments. This choice may be made at the employee’s discretion. Once the acknowledgement is complete, click Submit.
After completing and submitting the Acknowledgement, the user will receive a final alert indicating that the overall evaluation event has been successfully completed.

This message indicates that the evaluation has been completed in full and will be recorded by the Office of Human Resources. No further action is required.
