Dear Dr. Toney:

At their April 2020 meeting, the directors of the National Architectural Accrediting Board (NAAB) reviewed the Visiting Team Report (VTR) for Kean University.

On behalf of the Board, it gives me great pleasure to inform you that the **Master of Architecture** degree program was granted continuation of candidacy. The next visit for either initial accreditation or continuation of candidacy is scheduled for 2021. The program must achieve initial accreditation by 2023.

Please be reminded that continuing candidacy is predicated on the following requirement:

- a) Submission of Annual Statistical Reports. These reports capture statistical information on the institution and the program. The next statistical report is due on or before November 30, 2020.

Public dissemination of both the Architecture Program Report and the VTR is also required. These documents must be made public electronically in their entirety. Please see Condition II.4.4 of the *2014 Conditions for Accreditation* and Section 5 of the *NAAB Procedures for Accreditation, 2015 Edition*.

On behalf of the NAAB and the visiting team, thank you for your support of accreditation in architectural education.

Very truly yours,
