KEAN COUGARS CLIMB HIGHER

Kean University provides a public, world-class education in the New York metro area with more than **50 undergraduate majors** and **70 graduate programs** designed to help you climb higher.

Designated as **New Jersey's urban research university**, Kean promotes equity, academic excellence and access to a college degree for a diverse student population.

You determine the path. Kean supports you every step of the way.

Kean serves over **18,000** students at **four locations** in New Jersey, an international campus in Wenzhou, China, and through Kean Online.

Study business, public administration, liberal arts, humanities or the sciences. Whether you want to be a global executive, architect, designer, teacher or medical professional, you gain the knowledge, skills and confidence to build a career and a fulfilling life at Kean (pronounced "cane").

You learn in small classes from **faculty who are nationally recognized scholars** in their fields and dedicated to providing you with real-world experience. Kean faculty conduct research with STEM students, build national branding campaigns with design students and work with business students on projects for multinational corporations.

Prof. Patricia Morreale, Ph.D., was named a fellow of the **American Association for the Advancement of Science** for bringing more women and minorities into computer science.

Not sure what you want to do? We get it. Our faculty advisors are here to help you find your path. We believe every student has a special gift, and it is our job to bring it out and nourish it.

Kean students graduate with research skills to pursue an advanced degree and practical skills to excel in the **New York metro job market and beyond**.

The heights you reach are up to you.

WELCOME TO COUGAR COUNTRY

Our inviting cougar community comes with a view of Manhattan. Kean has a train station adjacent to our main campus in Union, New Jersey, that will get you into **New York City in 30 minutes**. That means you can do an internship in the city, stay for dinner and return home to one of the safest college towns in America. Kean gives you big-city-school perks with a small-town feel.

Northern New Jersey is also home to several **Fortune 500 companies** and is one of the world's pharmaceutical hubs, so there are plenty of internships and jobs. And did we mention that you can be at the beach or on the ski slopes in less than an hour?

► Explore Kean's campus at kean.edu/virtualtour.

THE KEAN COMMUNITY

Kean is recognized as one of the **most diverse universities** in the country. With 180+ student groups, Greek Life, Division III athletics, theatre venues and the arts, we're pretty sure you will find people who share your interests — or you may develop some new ones.

Ranked **Top 3 "Best Dorm Rooms"** at a public university in New Jersey by Niche.com.

Kean is a nationally recognized **Hispanic-Serving Institution**.

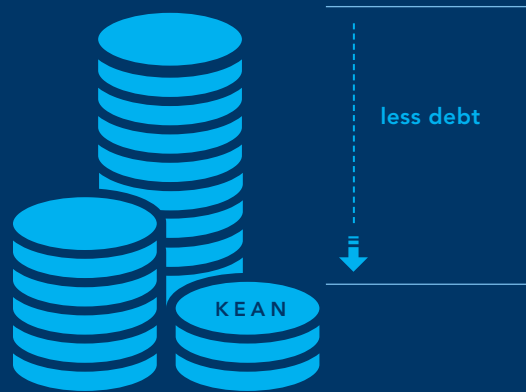

THE MOST AFFORDABLE DEGREE

We believe a world-class education doesn't have to come at a high price. Kean is the [most affordable university in New Jersey](#), delivering unmatched value for families. Our out-of-state rates, scholarships and financial aid also make us more affordable than public and private schools in many other states. So you can pursue your dreams without being weighed down by debt. Do the math.

And we offer an Out-of-State Campus Residency Scholarship of up to [\\$16,000](#) over four years for top students who live on campus. So your dreams of going away to college are within reach.

Kean students graduate with less debt than the national average.

Kean is a nationally recognized **First-Gen Forward Institution**. Over 46% of Kean students are the first in their families to attend college.

Most affordable university in New Jersey

A WORLD-CLASS EDUCATION

At Kean, you can climb higher on the Great Wall of China, literally. As the [only public American university with a fully English-speaking campus in China](#), Kean delivers a unique college experience by offering you the chance to study halfway around the world at no extra cost.

We've got programs in 30 other countries, too. And financing options. You can study and learn about another culture for a year, a semester or just a few weeks — and bring that experience into the global job market.

All Kean architecture students spend a semester in **Rome**, the birthplace of modern architecture.

SUPPORTING YOUR JOURNEY

Kean Cougars are fierce. They work hard every day to face the challenges of earning a college degree, but they don't do it alone. Our [award-winning academic support programs](#) help with tutoring and writing assistance. You can make an appointment for one-on-one support or take part in group sessions. And Kean faculty advisors are always available to answer your questions and ensure you're on the right path toward graduation.

"At the Robert Busch School of Design, I learned the importance of collaboration and the benefit of hands-on experience. I graduated with three internships under my belt and a portfolio that demonstrated my wide set of design skills and landed my dream job as a Junior Art Director at FCB Health."

Alexis Moore, Graphic Design

"Once you're a part of the Kean community, there's this natural feeling of unity and pride that follows throughout your years here and even after graduating. Everyone here has different backgrounds and many stories to tell."

Christine Lopez, Communication

KEAN

INTERNSHIPS AND JOBS

At Kean, we are committed to helping our students find meaningful internships and employment opportunities to climb higher and launch their careers.

In fact, our career services staff [guarantee](#) that they will find an internship for every interested student. We'll even help you write a résumé and prepare for the interview.

If you're unsure of your career path, Kean has numerous assessments and workshops to help you identify your interests and goals.

"The professors help us every step of the way, from developing our concept to making us think critically about what we are doing and why we are doing it. They are all available to help us with our portfolios, résumés, finding internships and even if we just need someone to talk to."

Thomas Ciano, Architecture

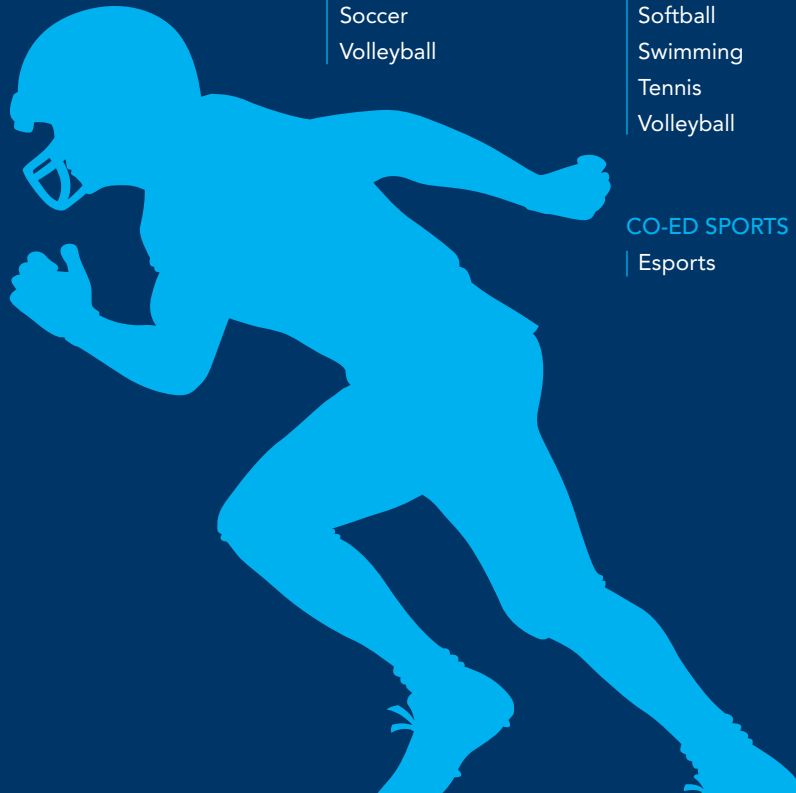

KEAN COUGAR ATHLETICS

Kean offers 21 NCAA Division III men's and women's teams that draw athletes from across the nation. Our coaches focus on their players' personal development, both on the field and in the classroom. Each team has its own certified athletic trainer who helps to maximize performance.

The Cougars are a charter member of the [New Jersey Athletic Conference](#) — one of the most competitive Division III conferences in the nation. Kean has won two national championships, one in men's soccer and one in baseball, along with many other conference and regional titles.

The University offers intramural sports, three exercise facilities, fitness classes, yoga and other activities to help you stay fit as you earn your degree.

available at Kean Ocean available through Kean Online with Rutgers University available through Kean at Brookdale TSD: Teacher of Students with Disabilities Endorsement

FIND YOUR PATH TO CLIMB HIGHER

Kean alumni are climbing higher in their chosen fields across the globe. Some are leading scientists, top business executives, designers at national agencies and community leaders; others are teachers who are working with children who have special needs. Where you choose to climb is up to you.

"You need to come out of school with a set of skills that will give you confidence in your ability to change children's lives. Kean offered that to me, and I think that anybody who goes to Kean University will benefit just as greatly as I did."

Mark Mautone,
New Jersey State Teacher of the Year

"Kean was a place that I could grow not only as a mathematician but as a person. The amazing faculty helped me secure a postdoctoral fellowship and tenure-track position. I will forever be grateful."

Isaac Harris, Ph.D.,
Professor at Purdue University
