

KEAN

Post-Master's Certification Option: Applied Behavior Analysis: Autism and Developmental Disabilities

Program Coordinator: Dr. Randi A. Sarokoff, BCBA-D

Office: Hennings Hall, Room 310

Phone: 908-737-3849

Email: rsarokof@kean.edu

The Association for Behavior Analysis International has verified these 7 courses as meeting the coursework requirement to take the Board Certified Behavior Analyst® before the end of 2026. The Verified Course Sequence (VCS) meets the BACB's coursework eligibility requirements for the exams taken prior to the end of 2026 ONLY. New courses will be offered for those taking the 2027 exam beginning in Fall 2024.

Program Description

The Post-Master's Certificate Option: Applied Behavior Analysis: Autism and Developmental Disabilities is an option for those who already hold a Master's Degree and would like to pursue becoming a Board Certified Behavior Analyst (BCBA®). This certificate program meets the 315-hour coursework requirement for students wanting to take the **BCBA® examination prior to the end of 2026**. Applicants will need to meet additional requirements before they can be deemed eligible to take the examination.

This Post-Master's Certificate Program is rooted in the science of applied behavior analysis (ABA). At Kean University, you will develop an evidenced-based approach to teaching students with Autism Spectrum Disorder (ASD) and other Developmental Disabilities.

Admission Requirements

In addition to the University's admissions requirements:

- Baccalaureate and master's degree or higher in any field of study. Degrees may also be accepted from degree programs in which the candidate completed a BACB verified course sequence. Applicants who are unsure of whether the field of study of their degree is acceptable may request a preliminary review.
- Official transcripts from all institutions attended
- Three letters of recommendation (professional experience)
- Furnish an appropriate scholarly writing sample
- Professional Resume/CV
- Professional statement of interest
- Official TOEFL or IELTS score reports (**International Students ONLY**)

Program Requirements

- 21 credit course sequence

VERIFIED COURSE SEQUENCE (VCS) – 21 CREDITS (ONLY offered Fall/Spring)

The Association for Behavior Analysis International has verified the following courses toward the coursework requirements for eligibility to take the Board Certified Behavior Analyst® or Board Certified Assistant Behavior Analyst® examination prior to 2026. The Verified Course Sequence (VCS) meets the BACB’s coursework eligibility requirements. Applicants who provide verification that they have completed this VCS will not have to provide coursework documentation.
