YOU WILL WORK WITH KEAN DESIGN FACULTY, YOUR PEER GROUP, AND VISITING PROFESSIONAL DESIGNERS IN A FUN, CREATIVE, AND COLLABORATIVE ENVIRONMENT TO DEVELOP ORIGINAL DESIGN SOLUTIONS (BOTH SPATIALLY AND OBJECT-ORIENTED) TO REAL-WORLD ASSIGNMENTS TO EXPAND CREATIVE THINKING.

THE PROGRAM will run from JULY 5 THROUGH JULY 28, 9:30 A.M. TO 3:15 P.M., Monday through Thursday, on the Kean University Campus in Union, NJ.

You will learn the foundations of form and the built environment through innovative and active demonstrations, exercises, and hands-on projects. Skills in sketching, ideation, physical modeling, computer modeling, and 3D printing will be accompanied by guidance in critical and conceptual thinking for developing and creating design solutions.

ACTIVITIES also include a design charrette, field trips to museums/galleries in New York, group and individual studio projects, and a final exhibition and reception.

Learn, explore, be inspired and complete a body of work that can contribute to your college application portfolio requirements!

THE COST is $1200. (A deposit of $300 is due at registration.)

INTERESTED STUDENTS SHOULD REGISTER at kean.edu/summercamps
