

# Quick Guide: Purchasing Software and Computers

## Purpose

To outline the proper steps and policies for purchasing university-approved technology (hardware or software) in accordance with Kean University procedures.

## Step-by-Step Instructions

### *Computer/Technology Equipment Purchases*

1. **Submit a Request for Quote through IT**
  - a. Go to the [IT Support Portal](#)
  - b. Click on “**Request a New Service**” tab.
  - c. Under “**Service Categories**,” select “**Hardware & Equipment**.”
  - d. Select “**Quote to Purchase new Equipment or Software**.”
  - e. The department of Information Technology (IT) will review your request and issue an official quote.
2. **Process the Purchase in ESM**
  - a. Use the IT-issued quote to create a requisition in ESM (eProcurement system).
    - i. UPBS and IT must both approve computer equipment purchases in ESM.
  - b. Once approved, University Procurement & Business Services (UPBS) will finalize the purchase.

**Note:** All equipment is delivered to IT regardless of shipment notes

### *Software Purchases*

### *Contract Review (If Applicable)*

- c. Any contract provided by a vendor must be reviewed by UPBS.
- d. Contracts with clauses such as indemnification, non-NJ jurisdiction, or arbitration will require revision.
- e. Legal review may take 14+ days; use University contract templates to expedite.

### Policy Highlights

- **Technology Approval Required:** All tech purchases must be approved by IT to ensure compatibility with University systems.
- **Contracts Over \$50,000:** Require legal review and an executed agreement.
- **Signature Authority:** Only designated University officers (President, CFO, AVP Procurement) can sign tech-related contracts.
- **No Confirming Orders:** Do not make purchases without approved documentation and purchase order.
