

Default Question Block**2020 Kean University Research Days****Student Research and Creative Presentations**

The deadline to register is February 17, 2020 11:59 p.m.

ALERT: Poster and oral presentation space is limited. Registration may close before February 17th.

This registration should be submitted by the lead student author/presenter. Co-authors/presenters should NOT submit a registration. **Authors and co-authors will be listed in the event program in the order submitted on the registration form.** Please note that the same research cannot be presented as a poster and oral presentation but you may register for more than one presentation if the project is different. This registration will be forwarded to your faculty advisor for approval. Kean students who have conducted research at another college or university are eligible to register.

Please read all information contained in this survey carefully, as some requirements have changed.

STUDENT PRESENTER(S) INFORMATION**I am a(n):**

- Undergraduate Student
- Graduate Student

I am registering for:

If there are more than 5 presenters on your team, please list the remaining students below. Be sure to include full name, Kean ID and email address for EACH student. Use the following format: full name; ID #; Kean email

RESEARCH INFORMATION

Title of Presentation

Reminder: Research must have been conducted under the supervision of a faculty member. Research conducted externally must be reviewed by a Kean Faculty Member

**Provide an abstract of your project (MAX 750 CHARACTERS, ~150 WORDS).
NOTE: This will appear in The Research Days program.**

An abstract summarizes the important qualities of your project and typically includes the problem or question you investigated, the importance to your discipline or field of study, a description of the methods or approach you used and the main conclusions or outcomes you are able to report.

Please indicate if your research is supported by a grant program, for example SpF, LSAMP, NSF, etc.

- Building Capacity: Pathway to Success in Computing (NSF)
- Foundation Faculty Research Award
- LSAMP (NSF)
- MakeHISTORY@Kean (NEH)
- McNair Scholars (USED)
- Research Active Mentors (RAM)
- Research Recruits Program
- SpF
- Other (Please Specify)

EXHIBITS, CREATIVE WORK, DEMONSTRATIONS AND PERFORMANCES

If you registered for an exhibit, creative work, demonstration, or performance, you may be assigned to a building other than STEM. Please indicate whether you will need any of the items below.

- 6 foot, draped table
- floor easel
- access to electrical power
- large monitor or screen/ AV equipment
- microphone and speaker
- Other
