

RUN

HIDE

FIGHT

SURVIVING AN ACTIVE ATTACKER SITUATION

INSIDE

RUN

- Exit immediately if safe and **RUN** in a zig-zag pattern to a safe location
- Once you are at a safe distance, dial 911

HIDE

- Lock down the area: secure doors, turn lights off, silence phone, and stay hidden and quiet
- **HIDE** behind or under solid objects
- Once you are at a safe distance, dial 911

FIGHT

- As a last resort **FIGHT**, attempt to incapacitate the attacker with any available objects
- Act with as much physical aggression as possible and commit to your actions
- Once you are at a safe distance, dial 911

SURVIVING AN ACTIVE ATTACKER SITUATION

OUTSIDE

RUN

- If you cannot shelter in place, **RUN** in a zig-zag pattern
- Once you are at a safe distance, dial 911

HIDE

- **HIDE** behind large solid objects such as buildings, walls or trees to protect yourself from bullets
- Once you are at a safe distance, dial 911

FIGHT

- As a last resort **FIGHT**, attempt to incapacitate the attacker with any available objects
- Act with as much physical aggression as possible and commit to your actions
- Once you are at a safe distance, dial 911

SAFE

- Remain in lockdown until you receive an "all clear" via emergency text or from law enforcement personnel
- If law enforcement arrives, put your hands up and follow instructions

Information to provide to 911 operators:

- Give attacker location
- ID/description
- Your location
- Report injuries
