**SKYLAB:**  

# Environmental Science Pre-college Program

Do you enjoy exploring the great outdoors?  
Want to examine environmental science  
principles in nature's laboratory this summer?

Join us for a fun, informative and hands-on environmental  
science pre-college program that offers the opportunity to earn  
college credit or participate for personal enrichment.

Open to high school students entering sophomore through senior year,  
Kean's SKYLAB summer program is being held at Kean Skylands, located on  
over 40 acres of protected land in rural Jefferson Township, New Jersey.
