

## November 2020 Student Newsletter

Hello Kean Ocean Students,

We hope you are having a great Fall semester!

Kean Ocean courses and offices will operate in the same manner they did this Fall. All but one of the Kean Ocean sections (HED 3231) will be held remotely. The full time flat rate tuition at Kean University schedule allows for registration for 12-19 credits. Consult your Financial Aid advisor if you receive financial aid and think you may drop below 12 credits.

### **Registration for Spring 2021**

Registration for Spring 2021 is fast approaching. Please make sure you review the [Winter and Spring 2021 Calendar](#) for your registration window which is based on completed credits. If you have any questions regarding registration dates, please email [keanocc@kean.edu](mailto:keanocc@kean.edu).

Before you register, please reach out to your advisor to schedule an appointment with them so they can go over your courses and schedule with you. If you are unsure who your advisor is, you can see them as part of your success team in the [Advise Student Experience](#) or can visit our [Advisement page](#) and look under your major.

Be sure to check if you have any restrictions before registering. In the case that you do have restrictions, you will need to get those holds removed before registering. To check restrictions, log-in to [KeanWISE](#) and click on Person Restriction under your Academic Profile. If you have an immunization hold, please visit the [Health Services](#) page for more information and email [hsnurses@kean.edu](mailto:hsnurses@kean.edu) or call (908) 737-4880 with any questions.

### **Counseling Center**

These are challenging times. All Kean students have access to confidential counseling services. Remote counseling services are available. Please see the [Kean Counseling Center](#) for more information.

### **CARES Act Grant for Fall 2020**

Kean University will award one-time grants to eligible applicants. If you have not done so already, you can still apply for the CARES Act Grant for Fall 2020. You must log into [KeanWISE](#) and complete the online CARES Act Emergency Relief Grant Application, located under the Financial Aid Self Service link. The deadline to apply is **November 30, 2020**. However, applications will be reviewed on a first-come, first-served basis and may be exhausted before November 30. You may only submit one application.

Thank you for reading and be well!
