

Welcome to Kean University!

AT KEAN UNIVERSITY, WE ARE COMMITTED TO CREATING A MORE SUSTAINABLE ENVIRONMENT FOR OUR COMMUNITY.

Our sustainable initiatives include:

- Kean is designated as a Hispanic Serving Institution (SDG 10).
- Campus wide recycling and composting (SDG 12 & 13).
- 25% of courses include sustainability elements (SDG 4).
- 74 faculty are engaged in sustainability research (SDG 13).
- Kean allows most employees to work from home once a week (SDG 3 & 8).
- The implementation of robust wellness programs.
  - The Kean Counseling Center offers short-term mental health services to enrolled students of Kean University at no additional cost (SDG 3).
- Kean encourages clean energy transportation with electric vehicle charging stations (SDG 7 & 11).
- Kean University's Generation 2 Generation Family University program helps underserved students and their families overcome poverty through education (SDG 1 & 4).
- Cougar Pantry offers an assortment of donated non-perishable foods, as well as health and hygiene products (SDG 2 & 3).
- Kean provides equal opportunities and equitable conditions in employment and education for everyone, regardless of personal or demographic traits (SDG 4, 8, & 10).
