### Profile

**Parent Organization:** Center for Leadership and Service

This sample organization was created in January 2009 when Kean University first launched Cougar Link. The organization is used as a sample to other student organizations and clubs who wish to take full advantage of the Cougar Link system.

Benefits of fully utilizing Cougar Link include:

- being able to communicate your members without having their contact information
- creating and promoting events for the entire Kean University community to see and attend
- submission of online forms to the Center for Leadership and Service (who wants to use paper forms these days??)
- tracking of your members and allowing them to receive Co-Curricular Transcript (CCT) credit for being a part of your organization
