

Important Information Regarding Your Pay Schedule

(Announcement Sent Via Email December 16, 2020)

Next week, the Offices of Human Resources and Payroll will be rolling out our new system, Workday. With the use of Workday, we will manage the overall employee lifecycle and provide in-house payroll processing as of Monday, December 21, 2020.

With the implementation of Workday, we will be standardizing the pay period schedules for all active employees. Once the system is live, all employees will be paid on the same date biweekly, regardless of employment type (i.e. Faculty, Staff, Student, Academic Specialist, etc.). [Click here](#) to view the full Pay Period schedule for Calendar Year 2021, which will be processed in Workday.
