

The **Powerful**
WOMEN
OF NEW JERSEY

SENATOR WEINBERG'S 2021 WOMEN'S
POWER LIST

INSIDERNJ.COM

“THEY ARE THE **MOVERS** AND THE **FEMINIST ACTIVISTS**”

They represent both sides of the aisle and all sides of the issues. These are the Women who don't usually get the spotlight but deserve to take a bow today for all they do every day. They are the lobbyists, the journalists and communicators, the leaders of our governments, the think tank researchers and the advocates who influence Our public policy.

They are the women who actually make it all work. It's been fun and a rare privilege to recognize each and every one of them (with a little help from InsiderNJ).
